# ***ROUND ONE***

*The  
Peoples  
Corner*

***AFRICAN PEOPLES PLEDGE OF ALLEGIANCE***

---

***I PLEDGE ALLEGIANCE***

To my **AFRICAN** ancestry... God's *original* people.  
And, as a direct descendant of God's original people,  
I understand and accept, that I am blessed and chosen...

***I PLEDGE ALLEGIANCE***

To my **AFRICAN** history and culture... of which I am proud.  
I recognize and accept---that God gave birth to man in **AFRICA**,  
That civilization and culture were first developed in **AFRICA**,  
And, that the **AFRICAN** man and woman were the first to  
Honor, worship and give unto God a divine name...

***I ALSO PLEDGE***

That I will not judge anyone superior, nor inferior  
Based on one's *Origin, Color, Culture*, or  
Simply by the name that one chooses to call God.  
By whichever name God is called,  
I know that there is but one true almighty God,  
Of which I am made in the same image and likeness.  
God is a part of me; inseparable and indivisible...

***I PLEDGE MY FAITHFUL ALLEGIANCE***

To love, honor, cherish, respect, and protect---  
Mother Nature, the **AFRICAN** people's land,

*Go Sit In A Corner And Think*

My **AFRICAN** elders, the **AFRICAN** man,  
the **AFRICAN** woman,  
And all offspring coming forth from her womb...

***I PLEDGE***

To forever be a positive force in the uniting of  
All **AFRICAN** people... in mind, body, and spirit---

Thus, returning the **AFRICAN** people

To their rightful place of *glory*---

As the original chosen people of God.

or unless you're a policeman in a black neighborhood,

or unless you've got a big lawsuit pending and can get a lot of  
money if

you lie--- and of course, if you work for the government,  
then it's merely part of your job.

like

*"...THOU SHALT NOT COVET THY NEIGHBOR'S HOUSE..."*

or any women living in the country of whom  
AMERICA may be warring against at the time,  
and of course, AFRICAN SLAVE WOMEN IN CHAINS---

or unless GEORGE WASHINGTON, THOMAS JEFFERSON,  
JOHN KENNEDY, BILL CLINTON or DONALD TRUMP  
is your name.

yeah,

***"GOD BLESS AMERICA***

where

where

—they POLLUTED all the SACRED WATERS

where

–they LEAD the world in HOMICIDE and the PEOPLE  
BREATHE to much CARBON DIOXIDE...

where

–the SCHOOLS are a DISGRACE  
and CHILDREN LIVE next door to NUCLEAR WASTE...

where

–the HOMELESS are DYING in the STREETS  
while RICH FOLKS worry whether "FIDO" is gettin' 2 much  
beef...

so---somebody please tell me...

if *GOD'S* gonna *BLESS AMERICA*,  
then what's taken HIM so GOD DAMN long!

***JUS' LAY LOW IN YO' BLACK GHETTO***

***JUS' LAY LOW IN YO' BLACK GHETTO***

and **LEARN** the things u need 2 know...

Cause "**THE MAN**" is afraid 2 come in 2 yo' ghetto,

So u can organize there so dat he won't know.

He's also gonna try 2 separate-----u,

But that's one thing u mustn't let him do.

Because when you're together u make a loud sound,

But separation turns yo' volume down---so,

***JUS' LAY LOW IN YO' BLACK GHETTO***

and **LEARN** the things u need 2 know...

First...make all the necessary preparations,

Then u can tell him and not ask him about yo'

**Black** destination.

U live in this country like **White** folks and **Jews**,

But dey got all the money and why not u?

Why ain't chu got no money u pray?

But u and "yo' Nigga's" gettin' high every day.

Talkin' 'bout dat Black on Black Cadillac,

Dat u gon' get when **THE MAN** gets off yo' back.

But u been sayin' dat shit ever since i can remember,

And the price goes up on Cadillac's every September---so,

***JUS' LAY LOW IN YO' BLACK GHETTO***

and **LEARN** the things u need 2 know...

What good is it 4 u 2 praise Barack, Tupac, and Malcolm X,

If u gon' still treat all **Black** women wit' such dis-respect.  
Rappin' 'bout, "dey ain't nuthin' but a bunch of bitches & hoes,"  
Then ya bettah look at yo' mama  
Cause she's a **Black** woman in case u didn't know!  
Yeah u runnin' off at the mouth wit', Nigger dis & Nigger dat,  
Not givin' a damn about all the people  
Who died jus' so yo' ass could be called **Black**!  
So, befo' u engage yo' mouth u ought-ta engage yo' mind,  
And pray dat dey don't be callin' yo' daughter  
Bitches & hoes in these tryin' times---so,

***JUS' LAY LOW IN YO' BLACK GHETTO***

and ***LEARN*** the things u need 2 know...

Ya talk dat shit about revolution but u ain't got a clue.  
U still dope slangin' & gang bangin' not knowin' what 2 do.  
Doin' carjacks & drive-bys at every corner u turn,  
When the revolution calls 4 thinkin' & readin'  
About yo' history & culture u must learn.  
But you'll keep killin' each other 'til u stop and realize,  
U need **knowledge of self** 2 truly revolutionize.  
So u bettah check yo'self befo' u wreck yo'self, cause u jus'  
might find,  
Dat yo' mind is on vacation and yo' mouth is workin'  
overtime---so,

***JUS' LAY LOW IN YO' BLACK GHETTO***

'til u ***LEARN*** the things u need 2 know...

on funky slave ships,  
yielding odors equivalent to the smell of

***Your Desires, and Your Sickness!***  
we rebelled,  
**SET US FREE! SET US FREE!**  
we cried,  
**SET US FREE! SET US FREE!**  
and we died... yes! we died...  
only to be re-born to the realization  
that your illness has been apparent  
throughout your history of corrupting the world.  
spreading your disease of inhumanity like a malignant cancer,  
and implanting your insane values into our healthy  
***African Mind,***  
***Body, & Soul...***  
transfusing your culture with ours  
making us un-consciously reflect your insaneness,  
and trying to convince us that it was ours all the time...

But as he raised his sword I wondered why,

He always wins and we always die?

**LAND OF THE FREE HOME OF THE BRAVE**

---

(Stand upright, and place your hand over your heart and sing)

**“...For the land of the free and the home of the brave...”**

(Now, applaud yourself, be seated and think about it...)

This used to be **“...the land of the free...”** before

**“...The rocket’s red glare”** and

**“the bombs bursting in air...”**

This used to be **“...the home of the brave...”**

- not the **Braves** from Atlanta
- not the **Reds** from Cincinnati
- not the **Indians** from Cleveland
- not the **Blackhawks** from Chicago
- not the **Chiefs** from Kansas City
- not the **Redskins** from Washington
- not the **Chippewas** from Central Michigan
- not the **Seminoles** from Florida State
- not the **Aztecs** from New Mexico

Yes! this used to be **“...the home of the brave...”**

before these

- dishonest,
  - thieving,
  - blood thirsty,
  - war mongering,
- transplanted Europeans came...  
who just call themselves **“brave.”**

Yes! A **thief** by any other name

## ***THE NAME GAME***

***“NEGRO AMERICAN...”***

negro americans are a **dying breed**  
of **uninformed people...**  
they can often be found  
marching, singing, and begging white folks  
to call them "COLORED."  
However, it has been said that  
one of their kind is currently serving on the  
**United States Supreme Court.**

***“COLORED AMERICAN...”***

a **picture**  
of an american you find  
in a child's coloring book  
after they've finished playing  
with their **crayons.**

***“AFRO-AMERICAN...”***

an afro is a **hair style**  
worn on the outside...  
mostly by people of **AFRICAN** decent  
allowing their strong tightly curled hair  
to grow in its natural state  
devoid of any chemical straightener's or relaxer's...

Therefore, I suppose, anyone who lives in America  
and wears an AFRO hair style could be considered  
an “AFRO-AMERICAN.”

**“AFRICAN AMERICAN...”**

a **heritage statement**

born on the inside...

of persons having a

**blood lineage**

that directly relates them to the

**people, languages**

or **cultures indigenous**

to the **CONTINENT OF AFRICA.**

**“BLACK AMERICAN...”**

black is merely

a **statement of color...**

and may shed only a little light

on the status of one’s **heritage.**

PLEASE

REFER TO ME AS AN

**“AFRICAN AMERICAN”**

***THE REPUBLICAN ECONOMIC PLAN***

are taking a stroll down

**Pennsylvania Ave near the White House**

when **Elon** says,

*“Mr. President, JD and I have a keen plan to keep you  
in the White House forever!”*

**Donald**, excited replies,

*“That’s right comrades, I’ve got to Make America Great Again  
forever!”*

Then, **JD** notices something very mysterious looking on the  
sidewalk in front of them. He suddenly spreads his arms out like  
a crossing guard to prevent

**Donald** and **Elon** from going any further,  
then bends over, looks on and says,

*“Hey guys, we’d better be careful, look at that brown glob  
on the sidewalk, what do you think it is?”*

**Elon**, very anxiously replies,

***“Well, being that it’s brown and on the ground,  
it could be a meme of Barack Obama trying to ambush us,  
so, we better be very careful and check it out.”***

**Donald** pushes **Elon** and **JD** aside  
as he approaches the brown spot,  
bends down closer to get a better look, then remarks,

***“Well fella’s it LOOKS LIKE SHIT to me!***

***Hey JD, why don’t you take a closer look  
and tell us what you think it is?”***

**JD** bends lower and takes a whiff,  
***“Yes Mr. President, I think you’re right, it SMELLS LIKE  
SHIT too.”***

**Donald** continues,  
***“Well guys, before we go any further, we’d better be sure!”***

He then takes a knee like Colin Kaepernick,  
and with two fingers digs out a piece from the glob  
brings it to his lips and licks it, exclaiming,

***“Yep, I knew I was right, cause it TASTE LIKE SHIT too!”***

Donald then offers a piece for **Elon** to sample.

And while smacking his lips **Elon** confirms,  
***“You’re correct as usual Mr. President, IT’S SHIT ALRIGHT!  
And I’ve treated people enough LIKE SHIT to really know.”***

***“Okay JD now you try it,”*** Donald says.

**JD** chimes in,  
***“Hmm, it’s a tad bit bitter and I’ve tasted better,  
but, I think you geniuses are right as usual,***

*Go Sit In A Corner And Think*

*cause it's no question **THIS IS CERTAINLY SHIT!***"

And, in a very proud and celebratory move,

be doin'---

Na do I? And you kno' dat I 'on't be cussin' you out unless you  
don' jus' did some fucked-up shit dat provoked-tid me---  
Or unless I'm jus' high, drunk, or fucked-up or somethin'...  
And when we be fightin' n shit, you kno' I ain't nev-va really hit  
you wit' my fist.

I may pimp slap yo' ass, grab you or push you down or somethin'  
like dat---but you know god damn well I ain't nev-va really jus'  
straight out clocked yo mutha fuckin' ass, na have I?

And every time you gimme some money ta go out ta tha liquor sto'  
ta get you some God damn Pampers and some fuckin' Kotex, I go  
don't I, don't I?

So, tell me,

***HA KIN YOU SAY DAT I DON'T REALLY LOVE YOU?***

Not to mention all tha other shit I do fo' yo' black ass!

Damn! ya see, dat's what's wrong wit' you black bitches,

Yaw don't 'preciate a mutha fucka fo' shit!

...I don't love you!

I 'on't even know ha you kin fix yo' mouth ta say no shit like dat,

***AFTER ALL THA SHIT I DON' DONE FO' YOU...!***

**"SHE THANK SHE ALL DAT!"**

---

---

**SELF HATE CONVERSATION #3**

Yeah, **She Thank She All Dat**, She Thank She's **All** **Dat!**

But she 'on't really **kno'** where it's at...

Cause she be wearin' **Prada** and **Gucci**,

But don't **kno'** a damn thang about the

**knockoff designer rack in the back!**

Yeah, jus' look at her,

She thank she **cute** in dat whack ass **business suit**...

**Light skinned** wit' **long hair** and thank she lookin' good

In dat **square-ass designer shit** she wear.

I 'on't **kno'** why all the niggas be starin'...

But ya **kno'**, I ain't *even* **carin'**,

Cause I **kno'** I got it goin' on,

Even though people try ta say **I'm fat**,

It ain't dat, I'm jus' **big boned**.

So, she bettah jus' gon' and **leave me tha fuck alone**

And **keep on talkin'** on her **iPhone**,

Fo' I **knock** her lil' **narrow ass** in-2

the mutha fuckin' **Twilight Zone**...

And den she'll thank **I'ma clone of**

**Marvin Gaye** singin' **Let's Get It On**...

Yeah, **She Thank She All Dat, She Thank She's All Dat!**

**But she 'on't really kno' where it's at...**

Cause she ain't even got no **26 inch rims**

On her **funky** ass **Escalade Cadillac!**

So why y'all **lookin' at me** like dat, **am I under attack?**

What y'all wont me ta do, **pat dat bitch on the back,**

**Give** her some **slack?** Well, **I 'on't roll like dat!**

As a **matter of fact**, if she **fucks wit' me**

She gon' get her motha fuckin' **ass jacked.**

Jus' look at dem niggas **flock,**

She be **pullin'** in all the **jocks,**

But she ain't the only **bitch** up in here wit' a **cock,**

I bet she 'on't even kno'

**how ta rock a niggas world around the clock**

And make her **coochie pop 'til it don't stop.**

Ya see, while **I be pleasin' 'em,** she jus' be **teasin' em,**

**Twistin' her fingers** around her fuckin' **Goldie locks.**

But **look** at dem niggas as dey **walk up ta her and cheese,**

**Nigga please! Ya bettah believe,**

Dat **long curly top** she wearin' is probably a **weave.**

I hates dem bitches dat **always make me look like a sleaze**

Cause dey **over achieve,**

I wish dat bitch would jus' **make like a tree and leave!**

Yeah, **She Thank She All Dat, She Thank She's All Dat!**

**But she 'on't really kno' where it's at...**

Cause she be **up in the club**

And don't even be **showin' off her rack...**

So na, I guess all y'all **thank I'm wrong**

Ta **tell** dis lil' **anorexic bitch** ta take her ass **home?**

**But I 'on't give-a good God damn what y'all thank,**

Cause ain't none na ya'll **puttin' no gas in my tank,**

You can jus' look at her **skinny ass** and see she a **skank.**

Dis ain't no **prank**, the bitch is jus' **rank**

And her **coochie** probably **stank.**

And if she **look** over here **one mo' time**

She gon' get her motha fuckin' **ass spanked**

And I'mo' roll over her like a **tank.**

Don't make me have to attack

Cause it'll take a tow truck ta get

**my foot up outta her ass crack,**

But hey, let's not get off the **track...**

I bet she 'on't even kno' how ta **back dat thang up**

And **fuck a nigga up rollin'**

her **coochie around** like a **Mack Truck.**

Yeah ya see, the niggas might wanna **hit it cause-of-her looks,**

But dey bettah watch out cause dey might jus' **get crooked.**

Get her skinny ass **under the sheets**

and she'll be **wantin' ta read a book**  
Or talk about some **healthy ass meal** she don' **cooked!**

Yeah, **She Thank She All Dat, She Thank She's All Dat!**

**But she 'on't really kno' where it's at...**

Cause she ain't even got no **tattoos**

Hangin' over her **butt crack!**

Na nigga what, what did I do? Did I **offend you?**

Well, dat's **too bad** cause **I ain't even thew<sub>2</sub>**

Ya bettah be glad I ain't **talkin' about you!**

Look at her, **she thank she got class,**

Out there **tryin' ta dance** and ain't even **shakin' her ass.**

I bet she 'on't even kno' how ta **put her hands on the flo'**

So her **butt 'ill be up against a nigga's front doe**

While he be **groovin' to and fro'**

Hopin' **later** dat she might **give 'em some mo'.**

**Fo' sho',** she bettah go 2 ta **sto'**

And **buy** her an **Afro** and **some mo' doses of ghetto**

So she'll **truly kno' how 2 flo'.**

But I 'on't even kno' why I be gettin' **pissed off** anyway,

I heard somebody say the bitch was **gay.**

Dat's why she cain't gets no **real man...**

Jus' look at 'em, **extendin' dey hand as she stands,**

Look at dem niggas tryin' ta act like dey real **gentlemen.**

You see, dem ain't no **real men,** dey jus' **let's pretend men,**

Dey jus' **fakin'** and **perpetratin'**.

Hell, you can tell, ain't none-a-dem niggas don' **been ta jail**,

Dey too damn **frail** and **actin'** too **upscale**,

**I ain't buyin' none-a-dat shit dey tryin ta sale**,

In a **class** of **pimpology**, all dem niggas would **fail**.

Well, dey jus' **straight shady**, dey tryin' ta **treat her like a lady**.

But you see, I be wantin's me a **true baller**, a **real shot caller**,

A nigga dat **stands taller**, wit' his **pants saggin'**,

So I can see his **dick waggin'**.

A nigga dat's **on the scene** wit' some **bling-bling**,

**Ya kno' what I mean?** A **hustler supreme**,

Not no **whack ass brother** wit' a **dream**

Dat's **lookin' too clean** like he doin' some **business thing**.

Ya kno', I wants me somebody dat's **slangin'**, **swangin'**,

**gang bangin'**, **rappin'** and **sangin'**,

Drankin' **Patron** and **smokin' blunts** all the time,

Wit' a lil' **hit a coke ta blow yo' mind**,

Not no boring ass **Champagne** and **Red Wine**.

I wants a nigga wit' some **purple spectator gators**

And a **lavender suit ta match...**

Na fo' dat, I'll **unlatch the snatch**

**Take off my patch** so I can have me another

**Baby daddy and his child support 2 attach!**

Yeah, **She Thank She All Dat**, **She Thank She's All Dat!**

**But she 'on't really kno' where it's at...**

Cause she 'on't even kno' **all the words**  
To **Sir Mix-a-Lot's "Baby Got Back."**

And I 'on't kno' why y'all be gettin' so **uptight**  
Cause I'm **dissin'** dis lil' wanna-be-a **mellow yellow elite...**  
Na nigga what, **why you jumpin' yo' ass up?**  
I said the shit, dat's right! So why you **defendin' her,**  
Cause she **light, bright,** and **damn near white?**  
So, what you wanna do nigga, **fight?**  
You bettah **obey yo' thirst** and go **drank** you some mo' **Sprite,**  
And get you some **insight,** fo' I knock yo' ass **outta sight...!**  
And don't be **talkin' too fast**  
And **let yo' mouth write a check** dat yo' ass cain't cash,  
So **slow yo' roll** nigga fo' you get yo' **lip swell!**  
You know yo' ass is **too old 2 be jumpin' bold.**  
Bettah **look** at **who you talkin' 2** and **check yo' eyesight,**  
Cause **befo' you leap,** ya bettah **know the height.**  
Ya best ta **think about** it fo' you **try ta be about it...**  
Na, is everything **aw'ight?** Cause nigga you **cain't touch dis,**  
Cause my shit is **Trump tight,** and if **you ain't kno'in'**  
Ya needs ta be **checkin' out my Web Site...!**  
So nigga na is we's aw'ight?  
Don't let yo' ego get you fucked up tonight!  
So, ya bettah jus' ta **sit yo' ass down** befo' you **get clowned...!**  
Yeah, **I thought so,** but nigga if you ain't **fo' sho',**  
I'll **take these heels and earrings off** and **we can still go...**

But **whippin' yo' ass** wutt'n' **in my plan**,  
So, let me jus' **expand** on the **subject at hand...**

The **word I heard** is she **moved** ta the **suburbs**  
Where niggas is **less few**, cause she thank she **too good**  
Ta be **kickin' it** in tha '**hood** wit' **me and you**.  
Ya see, **dat's how she do**, bitch don't kno' nuthin' about **FUBU**.  
Be **actin'** all **siddity** cause she thank her ass is **pretty**,  
But the lil' bitch is jus' **shitty** if ya askin' me,  
Because she's really jus' a **high yellow wanna be**.  
But my **friend** claims she **educated** and **sophisticated**,  
So, I guess **my thoughts** shouldn't even be **contemplated**,  
And **my opinion** should jus' be **eliminated** and **eradicated**,  
And I should jus' lay **my Black ass down**  
and jus' be **annihilated**?  
Or, maybe I'm jus' s'pposed ta **bow down** and be **elated**  
And have her ass **celebrated** and **consecrated**.  
But y'all ain't gotta **anticipate it**, I'll jus' **state it**,  
I **hate it**, cause I thank the bitch is **too damn overrated**,  
And by the way she be walkin' all **proper** and shit,  
Her **ass** must' be **constipated...**

Yeah, **She Thank She All Dat**, **She Thank She's All Dat!**  
**But she 'on't really kno' where it's at...**  
Cause **baby's catchin' flack**,

got **no rhinestones** on her **pedicure**  
How obscure...and dem **French Tips**, what the hell is **dat**?

Den **my friend** tried ta **tell me again**, dat **I can't win**,  
Cause the way I been talkin' 'bout the bitch **is a sin**.  
**She** had **nerve 2 mention** and brangs **2 my attention**  
Dat if I wanna make **my Christian ascension**  
Dat I ought ta **listen** and **maintain** some **retention**,  
And dat I should **Judge not** lest ye be **judged**,  
And **refrain** from **callin'** her any **names**  
So I could **reclaim my spirituality...**  
Cause **Jesus proclaimed it 2 be**  
Dat **the truth shall make me free**,  
And dat I should jus' **face the reality**,  
Dat as much as I might not **want it 2 be**,  
Dat dis **bitch** is the **principal** at **my baby's elementary**,  
And dat I really **owe her an apology**.  
But y'all kno' me, **sorry** I'll never be!  
And who cares, cause the **heavenly father** I may never see  
So, I jus' **started ta drool**,  
**thankin'** what **momma** would be a **fool**  
Ta want dey **child** ta be **followin'** her **rules at school**?  
Shit, she gon' **make me** have ta get **cruel**,  
and **put a new clip** in **my tool...**  
She be **sendin' home notes tellin'** parents  
Dat dey **kids** shouldn't be **watchin'** so much **TV**,

Who the hell is she to tell me what my kids ought ta see?  
Cause **Orange Is The New Black**  
and dem bitches on **Claws** is where it's at,  
And dem **nasty videos** is all **I wanna see!**  
Na ya see, I told y'all that high-yellow bitch was **crazy!**  
Shit, I *wants* **my baby** watchin' dem **sexy videos** on **cable TV**  
So, she can **learn** how ta **shake her ass**  
**up in the club jus' like me!**  
She be **wantin's dem 2 watch**  
The **Learning Channel** and **Discovery**,  
But **God Damn it! Who** wants ta be  
**watchin'** the fuckin' **Animal Planet**,  
**March of the Penguins** and **Sesame Street and Friends?**  
**One day** I'm mo' have ta **take my ass up ta dat school**  
And **tell her a thang or 2**  
about **how** she be **tryin' ta tell my boo**  
About **readin' mo' books** and other **educational things 2 do**,  
Like havin' my baby **recitin'**  
some **poem** called **Phenomenal Women**  
By some ancient ass chick named **Maya Angelou**,  
Who I ain't never knew, but see, I told you...  
  
**She Thank She All Dat, She Thank She's All Dat...**  
But I'mo get dis bitch **up off my back**  
Cause she jus' **needs ta leave us be**

**Cause I ‘on’t wants my daughter  
Growin’ up ta be no square ass lady like her,  
I wants her ta be a cool down ass bitch like me!**

***YOU'RE FULL OF SHIT***

---

I remember when we were just kids  
running around playing, you were always saying,  
*"When I grow up, I'm gonna be the **SHIT!**"*  
Then, as we got older, I heard you say,  
*"I am the **SHIT!**"*

And recently, you scolded your girlfriend, iterating  
*"Now baby you know, I don't take no **SHIT!**"*  
Later, I heard you lambasting a brother on the corner, reiterating  
*"Don't make me have to fuck up yo' **SHIT!**"*  
It's seems apparent that you love to be involved in **SHIT!**  
Cause all you do is walk and talk **SHIT**...  
It appears clear you just can't get enough **SHIT!**

Now it's 4 O'clock Sunday morning  
and you're calling me from jail seeking bail  
for stealing somebody else's **SHIT!**

Now, you're trying to get *me* involved in your **SHIT!**  
It's pretty evident that your whole life revolves around **SHIT!**  
And now, you seem to be having trouble  
keeping up with all of your **SHIT**

But, maybe it's true,  
*"What goes around comes around,"*  
cause I remember when we were just kids  
running around playing, you were always saying,

*“When I grow up, I’m gonna be the **SHIT!**”*

And now that we’re full-grown, it’s well-known,  
you are without of doubt, the **SHIT!**

I guess I underestimated your apparent skills at clairvoyance,  
and after all these years of putting up with your **SHIT**

has been more than just an annoyance,

but I never made a full-throated effort at avoidance.

---but, now in my quest to understand you, I must attest, I think

**Maya Angelou** said it best,

*“When someone shows you who they are, believe them the first  
time. People know themselves much better than you do. That’s  
why it’s important to stop expecting them to be something other  
than who they are.”*

So,

I sincerely apologize,

cause I was surprised to find,

you’ve been trying to show and tell me the whole time,

but

now I get it,

and it’s a perfect fit,

cause I finally realize that

**YOU’RE FULL OF SHIT!**

***HOT! LIKE A HOT FLASH...***

---

I got up to go pee at 5:48:55 AM---Did that!  
And now feeling relieved, I thought of you...and  
I felt ***HOT! LIKE A HOT FLASH...***  
As I plopped down on my bed.  
I lifted myself up to pull off my tee shirt  
And you crossed my mind again...and  
I got ***HOT! LIKE A HOT FLASH...***but even hotter---  
And I thought of you again...

Now I can't get to sleep thinking of you,  
Wanting to see you, hold you, kiss you, and make love to you...  
I feel my nature rising, not all the way, but just enough to notice.  
He wants to go there and stand tall at attention,  
But I just won't let him.  
I'm trying to go back to sleep,  
But I can't, thinking more about you,  
I'm feeling ***HOT! LIKE A HOT FLASH...***but hotter---

I feel like I should be writing something about you right now,  
But I don't want to get up---then more thoughts of you...  
I'm thinking, "Damn she's fine!  
And smart too. I've got to see her!"  
I toss and turn trying to get comfortable, but I can't.  
I know I should get up and write something about you,

But I resist, cause I really just wanna go back to sleep---

But shit, here they come again, more thoughts of you...

Don't get me wrong, I love the thoughts, but damn

Why at five fuckin' o'clock in the morning?

Still, I can't get back to sleep

Thinking about what you said in an earlier Email:

*"To hear you say... 'it's coming,' gives me quite A NAUGHTY thought, but we'll not open that door. Lastly, I'm on my 3rd glass of wine (shhhh, don't tell anybody) two is actually my limit, but looking back on the day I've had, I'm entitled. Usually, I get undressed after two drinks and climb on tables doing the hoochie coochie dance, workin' my hips from side to side up and down, then FULL circle, but no audience tonight, so, I'll sit here and just enjoy my buzz."*

Okay, after that, I begrudgingly get up and go to the computer,

But the screen is much too bright, can't get my eyes adjusted.

So, I turn on a light and grab a legal pad and start writing these thoughts down...

I got this far and got **HOT** again.

**LIKE A HOT FLASH**...but even hotter---

Thoughts of you invade---like a Star Wars battle.

So I go to my computer and click-on your picture

And I get **HOT** again, **LIKE A HOT FLASH**...but even hotter---

And there you are standing poised looking back at me

In this sexy black dress as if to say,

*“Yeah, I’m here and you’re there, so what-cha gonna do about it?”*

Damn! I get hot again,

**LIKE A HOT FLASH**...but even hotter--

I get up to go turn on the air as I thought to myself,

*“How in the hell did I get here at 6:13:36 in the morning  
to be writing this shit down in the first place?”*

Well, I remember coming home yesterday to your Emails  
And smiling...then, we wrote each other back and forth---  
I sent you the poem, “Soul Mate,” and needing to talk to you  
I called. We began talking, talking, and talking---and more talking.  
I was supposed to be going to visit this girl,  
But talking to you made me lose track of time  
And the desire to want to see her...  
She wasn’t that important; it was just something to do.  
But I thought I would at least try to keep my word---  
So, I switched phones and called you from my cell  
And made a half-hearted attempt to go see her.  
But talking with you made that impossible.  
So I diverted my trip to my partner’s house.  
By the time I got there we were still talking;  
And I was loving it! We dialogue well.  
So I sat out in front of his place and continued talking to you.  
You mentioned you needed to see my picture again...

*Go Sit In A Corner And Think*

We got off the phone mutually stating  
How cool it was talking to one another.  
It was then about Midnight, I thought about you all the way home---  
Smiling, reflecting, smiling, reflecting...  
Then more smiling and reflecting.  
Got home, had some popcorn and lemonade  
Mixed with fruit punch; I like it that way.  
Watched the 3rd quarter replay of the Lakers versus Sacramento  
Pre-season game from Las Vegas---

How ironic, Sacramento and thoughts of you again---I smiled.  
The Kings won. Good! I hate the Lakers.  
Turned off the lights feeling a little chilly,  
I grabbed a tee-shirt---went to sleep thinking of you...  
I got up to go pee, at 5:48:55 AM---Did that! Felt relieved.

But I start feeling  
***HOT! LIKE A HOT FLASH***...but hotter thinking of you.

After I finished writing this,  
It's now 6:27:52 AM Saturday morning Pacific Time.  
I glance back at the picture of you on my computer screen  
And  
I feel ***HOT! LIKE A HOT FLASH***...but even hotter looking at you.

***I NEED A MOMENT TO CATCH MY BREATH***

---

It was

**Poetry Night...**

the room was crowded and full of pungent thoughts---

**Jasmine, Honeysuckle, Frankincense,**

**Myrrh & Musk Flavored Thoughts...**

I took a deep breath so I could inhale all the aromatherapy---

Just like the couple who was smoking the joint,

in the corner, in the booth, in the back.

And, as I was waiting to exhale you walked by...

I couldn't help but to notice your alluring smile,

as your body skyjacked my eyes and

flew ✂ my heart clear across the room.

You looked

**So Beautiful, So Soft, So Precious---**

I thought you to be

**A Flower** that took to **Walking...**

However, as the

**Sweet Rhyme & Verse**

filled the air, it became clear to me---

that you were the

**Poetry** about which they were **Talking...**

And,

as our eye met amidst the

**Flowery Bouquet of Words,**

*Go Sit In A Corner And Think*

I peered deep into the inner recesses of your soul---

which revealed to me

that you were merely

**The Creator's**

way of making

**Beauty & Love Manifest**

for us all to see...

And,

as your

**Spirit---**

**So Lovingly & So Tenderly**

whispered

**H E L L O**

I could **Hear** and **Feel** the presence of

**A Thousand Angels...**

So please...

**Just Hush, Be Still, Don't Say A Word---**

because after

**Listening, Watching, and Looking at You,**

of midnights and bright mornings  
of rainbows and colorful sunsets  
of rainy days and cool breezes  
of dark clouds and quiet storms  
of butterflies and lightening bugs  
of lucky-charms and four-leaf clovers...

***I thought I was just dreaming...when I thought***

of time alone within togetherness  
of kindness and pretty flowers  
of peaceful thoughts and serenity  
of sincere caring and true sharing  
of some tears and a few sorrows  
of some pain yet painless tomorrows...

***INTERTWINED IN LOVE***

---

After making *Love*  
We lay here with our  
Legs crossed  
*inside* of each other's *inside*.  
Our arms---  
Once stiff and outstretched,  
Now seem  
*double jointed, twisted, and distorted...*  
Your naturally curly hair---  
Now look like ***DREADS***  
*all locked together,*  
Just like our bodies were an orgasm ago...  
Your *life* crisscrossed with my *life*  
Your *mind*-melted-in-2-my-*mind*  
As our *Hearts* and our *Souls* lay...  
***INTERTWINED IN LOVE...***

***LONELY***

---

---

**i am very lonely at times---**

especially when i'm not  
pretending to be

***MACHO* or *COOL*.**

certainly, women come around  
offering their wares  
in return for a few compliments  
regarding their insecurities.

but their commodities  
don't last very long-----  
like smoke from a cigarette  
the passion dissipates quickly  
and they come without  
warranties...

so, consequently,  
**i am very lonely at times---**

**LOVE...GO FIGURE**

---

---

ever since

**She told Me**

**She** wanted to date someone else,

**I** haven't been able to sleep...

so, **I** had some beautiful women come over

to sex **My** hurt away...

yet, **I** still found **Myself** just

**Lost In Space**

trying to make "cents" out of what **She** said...

**She** proclaimed,

**"I'm too Pretty-a-Girl---**

**I'm** just one of those kinda girls who likes to receive gifts

and be taken out to dinner all the time...

**You** see, that's what turns **Me** on,

and **You** just don't have the funds to do that right now."

But, what **She** fail to realize is...

**My** gift to **Her** was

**My** love, **My** heart, **My** spirit, **My** soul, **My** being---

**My** caring, **My** understanding, **My** knowledge---

**My** self-respect, **My** dignity, **My** kindness, **My** essence...

**My** jogging along the beach with **Her** holding hands---

**My** fixing **Her** breakfast in bed in the morning---

**My** preparing and serving **Her** dinner at night---

**My** baking **Her** cookies and  
hand feeding **Her** sorbet and peach melba---  
**My** rubbing **Her** feet and massaging **Her** back before **She** asked-  
**My** listening to **Her** when **She** needed to be heard,  
even though **I'd** heard it ten times before---  
**My** letting **Her** always choose the movie---  
**My** watching “blind date,” “elimidate,” and “5th wheel,” cause  
she wanted me too.  
**My** coming whenever **She** called---  
**My** loving **Her** son as if **He** was **My** son---  
**My** loving **Her** mother at times when even **She** didn't---  
**My** loving everything **She** loved...  
and  
**My** loving **Her** in spite of - and - unconditionally!  
**I** even gave **Her** gifts of **My** love written in rhyme and verse---  
**I** gave **Her** **Me! My Life!**  
and that's priceless...  
But, that wasn't enough,  
**She** wanted some trinkets from Gucci, some outfits from  
BCBG's  
and dinner at Spago's...  
**LOVE...GO FIGURE**

***LOVING YOU IS LIKE THE SUN***

---

***Loving You***

***Is Like The Sun...***

no matter how  
**gray & cloudy**  
it may seem,  
high above the clouds  
i know **your Love** is still shining on.  
in the **darkest of night**,  
when i can't seem to find my way,  
and loneliness has cast a veil over **Love's** whole existence...  
i merely glance above and see the light of **your Love**  
reflecting from the moon,  
to let me know **your Love is** still there.  
and when **depression looms---**  
like unexpected clouds on a well-planned picnic day,  
it's just a matter of time  
before you penetrate the clouds  
to let me know **your Love** never really went away.  
and **your touch---**  
like the soft fingertips of a **goddess**,  
gently massages **my spirit---**  
and **your Love**,  
like the warmth of the summer sun,  
soothes my

**mind, body & soul.**

and as the **sun does not discriminate**

on which **flowers** it shines,

neither do you discriminate

in the dispersion of your light,

which brightens many paths.

and when i **look into your eyes**

i see the light...

**your light---**

**shining bright** but gentle,

**hot but soothing**

**& soothing**

**& soothing...**

*Loving You*

*Is Like The Sun...*

***MY BEAUTIFUL AFRICAN PRINCESS***

---

As i crossed the plains of **Serengeti**,  
there stood TALL like KILIMANJARO

***YOU***

***MY BEAUTIFUL AFRICAN PRINCESS...***

and, with your  
**Tender Loving Spirit**,  
you **Warmed My Heart---**  
as the **Sun** makes warm the days in the **Sahara**.

Such  
**Beauty** there is in **Africa...**  
and **My Dear Princess**  
oh, how **Beautiful** you are!

Like an **Oasis** to a nomad,  
what **Joy** you brought to my eyes---  
with **Beauty** that rivals  
a **Sunrise** on the **Niger**  
and a **Sunset** on the **Nile...**

At **Midnight** i sat wondering---  
how is it,  
that the **Sparkle** in your eyes

**Appeared Brighter** than all the **Stars**

on a **Nubian** night so clear

that one could see

*E T E R N I T Y...*

And i'm sure, if **Nefertiti** were here,

she'd be **Proud** to see her

**Legacy of Grace and Charm**

continued in you---

because at times your

**Beauty** is so **Radiant**

it seems to embarrass the **Sun**.

Such

**Beauty** there is in **Africa...**

and **My Darling Princess**

oh, how **Beautiful** you are!

*PLEASE... DON'T OPEN YOUR OVEN*

and permit my mind, body, and soul  
to react to the warmth---causing my eyes to swell,  
as they focus upon your

that you sprinkled lightly with your **Love Dust---**  
making it sparkle like **Sirius**  
in the midnight sky over **Egypt.**

*PLEASE... DON'T LET ME SAVOR THE FLAVOR*

making my mouth water, overflowing like the **Nile**  
when it brings life to the dusty barren desert soil---  
causing the vegetation, like **My Hunger**  
to sit anxiously in anticipation of being fulfilled...  
...then, after you've placed a piece of your

**Juicy, Red Hot, Steaming,**  
**Deep Dish, Black Cherry Pie**

onto my plate---  
you tell me that before i can partake,  
i must wait until it cools.....naw, uh-uh

**SOUL MATE**

---

---

Why are you doing this to me?  
Having me thinking about you  
When I should be doing other things...  
Having me “**Cumming**” when I should be going---  
Having me **Dreaming** when I should be wide awake...  
Why are you doing this to me?

Do you even care that you have me  
Holding my **Head Up** with my **Eyes Closed**  
Looking to my **Higher-self**, seeking **Inner-vision**?

Does it matter to you that you have me  
Probing the corners of **My Heart** in quest of **Inner-Feelings**?

Have you even given it a sit-down thought that you have me  
Descending deep into the **Dark Hidden Reservoir** of **My Soul**---  
In search of

**Understanding & Clarity,**  
**Hopes & Desires,**  
**Destiny & Love?**

Has it ever crossed your mind that you might be that **MATE**...  
That **Beautiful, Lovely, Sensuous Mate**,  
That I have longed been **Promised** by the creator

That mirrors my **SOUL**?

So, I ask again, why are you doing this to me?

As I journey deeper inside my soul,  
I find myself stumbling being unaccustomed to the depth...

I hear echoes of myself and other mysterious rumbling---

Tell me---is that you?

I see a **Light** in the distance and

can smell the **Honeysuckle** aroma of

**Kindness, Joy, Peace, Trust, Commitment and Harmony.**

And there is a **Sweet Chocolate** taste of **Love** that fills the air...

It feels so wonderful bombarding my senses, and

I sense nothing but **BLACK Beauty** all around me....

Shhh! Be quiet, I hear something...and

I feel the presence of **Someone Special**---

But my eyes have yet become accustomed to the darkness

And I can't see who it is...

So, tell me, my dear,

Is that **YOU** holding the light

And lurking about **MY SOUL**?

***TOUCHED BY AN ANGEL***

---

**My Dear Angel,**

I am in serious need of your blessings...

For you see,

I am a CREATIVE SPIRIT

And a ROMANTIC SOUL---

BEAUTY and INTELLECT is what

I partake when I am thirsty,

And LOVE is the AIR that I BREATHE...

I need to know if I can truly be FREE

To express my inner-self---or,

Do you prefer that I should just lay back

And be cool and calculating

Pretending that my heart does not skip a beat

When I see your picture, and that

I am not TOUCHED by

The INNER-BEAUTY that's revealed

In YOUR WORDS, YOUR VOICE,

and in YOUR SMILE?

Being so near to Hollywood,

Shall I just "ACT" like nothing matters

And wait for you to make the first move?

*Go Sit In A Corner And Think*

Shall I go parched and merely seek treatment  
For my shortness of breath?  
Or, can I drink of YOUR BEAUTY  
And KNOWLEDGE  
Until my cup runneth over?  
And can I BREATHE DEEPLY of YOUR LOVE  
Until I no longer feel winded?

Do I allow myself to be truly  
**Touched By An Angel...**

Or do I have to wait until I get to HEAVEN?  
You see, I have lost in **Love** before being **Cool---**  
And it's much TOO HOT now.  
And there are no signs of a cooling trend in the forecast.  
Besides, Stevie said that  
**Heaven** is 10 zillion light years away...  
And I'm not sure I have that much time.

**MIRROR, MIRROR ON THE WALL**

the mirror just happened to be there,

it wasn't planned...

neither was the **intercourse**.

&

taking advantage of both situations,

**i stood up & u bent down,**

**i penetrated & u accepted...**

&

wanting 2 see how this was being reflected,

**i glanced at the mirror**

&

**u glanced at me**

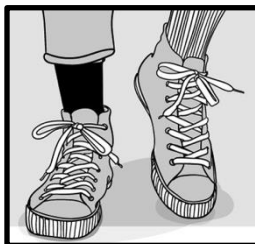

**glancing at the mirror**

&

**smiled...**

**SWEAT SOX & TENNIS SHOES**

i made **Love** 2 u in

*Go Sit In A Corner And Think*

**Sweat Sox & Tennis Shoes**

it seemed a bit embarrassing---(2 say the least...)

however, i asked

my

**Sweat Sox & Tennis Shoes**

&

they didn't seem embarrassed at all.

**SILENT NIGHT...**

after u rubbed me down in oils,

we began making **Love---**

on the floor

in front of the fireplace.

i didn't say much

& neither did u...

but i heard u loud and clear

& i guess u heard me 2---

because we changed positions...

& i came & so did u.

**TRYIN' TO CURE MY WEAKNESS**

---

i don't smoke,  
**Cigarettes or Marijuana---**  
i don't drink,  
**Wine or Kool Aid---**  
i don't do  
**Amphetamines, Barbiturates, Cocaine, Crack, Ecstasy,**  
**Fentanyl, LSD, Meth, PCP,**  
or any of the **Poppy Seed** derivatives.

my only  
WEAKNESS IS  
**Gorgeous Women...**

but lately,  
i've been  
EXERCISING,  
WORKING OUT,

LIFTING WEIGHTS,  
trying to  
cure my  
WEAKNESS.

**WAITING FOR YOUR CALL...**

---

---

I was far away from you

Staying in a hotel on business.

And after having spoken with you earlier,

You mentioned that you might call me later...so,

I sat-up all night---

**Waiting for your call...**

I watched TV 'til the infomercials came on---

**Waiting for your call...**

I tried doing exercises---

**Waiting for your call...**

I started writing this---

**Waiting for your call...**

I read the room service menu even though they were closed---

**Waiting for your call...**

I've developed a close personal relationship with the Gideons---

**Waiting for your call...**

I arranged some boxing matches to fight sleep---

**Waiting for your call...**

I laid down with my eyes wide shut---

**Waiting for your call...**

*The Poetic Artistry of R. Ray Barnes*

I tossed and turned trying to stay awake---

**Waiting for your call...**

I fell asleep---

**Waiting for your call...**

Then, I dreamed we finally got connected...

And woke-up

Calling maid-service to come change my sheets...

**WHEN I THINK OF YOU**

---

***When I Think Of You...***

I think of snow melting into a gentle stream  
Amid the top of Kilimanjaro  
Dripping slowly--one life fulfilling drop at a time...

***When I Think Of You...***

I think of the ***Goddess Isis*** with her *spirit* aglow  
As her blackness is cast in silhouette against the moon  
And her eyes blend in quite beautifully with the stars  
While floating peacefully along the Nile...

***When I Think Of You...***

I hear leaves being caressed by breezes  
Raindrops dancing upon lakes  
Birds echoing calls of love  
And winds whistling soft and sweet  
In a concert of nature's music...

***When I Think Of You...***

I think of a rose  
Awakening to the light of the dawning sun  
Wiping the dew laden tears from its petals  
Unashamed of its nakedness--clothed only in beauty  
Smiling proudly at the universe...

***When I Think Of You...***

I think of children---  
Children from faraway places,  
Searching for love and finding it!  
Happy children, laughing children,  
Blessed children, our children...

***When I Think Of You...***

I really think of me-----melting inside of you...  
While floating down the Nile,  
In the shadow of Kilimanjaro,  
Listening to nature's music,  
While smiling at the universe,  
As happy as children...

***When I Think Of You...***

I simply think of *Love*

AT CHURCH,  
we are constantly  
**dancin' & prancin', singin' & swingin'**  
**jumpin' & stompin', shoutin' & poutin'**  
**cryin' & sighin'---**  
and some of us are even **lyin'** our praises to  
GOD...

figuring that, the  
**louder & prouder**  
we praise, the more  
GOD  
will  
**hear us, endear us,**  
**bless us & caress us---**  
but,  
GOD  
is in no need of our praises---  
HE

*Go Sit In A Corner And Think*

what He needs us to do is---

to the

It seems

i know it's fun

***THE SECOND COMING...***

---

---

i heard that everyone's waiting for

***THE SECOND COMING***

of

**Christ...**

but rumor has it

**He**

was already here.

someone said they spotted

**Him**

in

D.C.

standing in front of

THE WASHINGTON MONUMENT

dazed & bewildered---mumbling, but

**“this doesn't *seem* like Egypt,**

**this doesn't *look* like Egypt,**

**this doesn't *feel* like Egypt.”**

so,

**He**

was immediately arrested and later reported to be a

MISSING PERSON.

the authorities issued a bulletin asking if anyone knew

**Him**, to please claim **Him...**

*Go Sit In A Corner And Think*

it read,

“weird looking stranger found, with

-NO IDENTIFICATION

-NO KNOWN ADDRESS

-NO GREEN CARD

and appearing to have

-NO WORLDLY POSSESSIONS.

they said,

**He**

mentioned one relative,

**His Father,**

of which he gave no known address.

they described

**Him**

as a man of

**"simple appearance, mature age (with) dark skin"**

and

**"the hair of his head like the pure wool,"**

but no one recognized

**Him**, expecting **Him**

to have long stringy blond hair---

(so consequently, no one claimed **Him**)

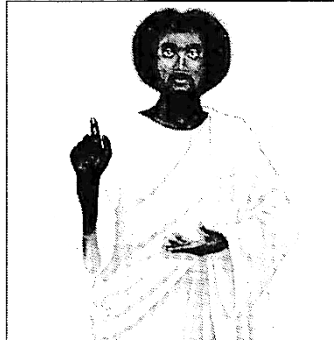

**His**

**"feet like unto fine brass**

**as if they burned in a furnace,"**

but no one recognized

**Him**, expecting **Him**  
to be pale in color---  
(so consequently, no one claimed **Him**)  
and  
**His**  
"voice as the sound of many waters,"  
but no one recognized it,  
expecting  
**Him**  
to sound timid and fragile---  
(so consequently, no one claimed **Him**)  
as a result,  
**He**  
was released  
and  
returned home to be with  
**His Father**---  
wondering...  
whether  
**He**  
would ever  
COME AGAIN...

The following quote,  
*“a man of simple appearance, mature age (with) dark skin,”*  
was made in reference to the physical appearance of Jesus the Christ,  
was taken from the Halosis, a work by 1st century Jewish historian, Flavius  
Josephus.  
(Parenthesis mine.)

The following quotes used were from The Holy Bible, King James Version.  
*“the hair of his head like the pure wool.”*  
DANIEL, Chapter 7, Verse 9.  
*“and his feet like unto fine brass, as if they burned in a furnace;  
and his voice as the sound of many waters.”*  
REVELATION, Chapter 1, Verse 15.

Are you gonna make use of the example she set,

***CAN'T FIND THE WORDS...***

---

**Dear Sweetheart,**

I have something  
very important I need to tell you...

**however,**

I don't know exactly how to say it.  
It's rather difficult for me to express the way I feel

**and**

I just can't figure out the best way to phrase it.

I certainly don't want to alarm you

**but,**

It's been keeping me up nights and  
my sense of honesty dictates that I must say something,

**however,**

I can't quite find the proper words.

You see, I don't want to be too blunt,

**although,**

I do want you to feel the full impact of what I have to say.  
I hope you understand that I truly do care about your feelings

**and**

I do want to voice this the right way.

**yet,**

I can't seem to make up my mind how to tell you,

I'm totally at a loss for words.

I really don't know how I should put it,

As you can tell this is not very easy for me

**and**

I am sincerely having a hard time with this whole thing---

It has indeed become quite perplexing.

**so,**

I hope you will please forgive me for writing it down like this

**and**

Not just coming right out and telling you

***FACE to FACE,***

***PERSON to PERSON...***

**nonetheless,**

I must admit, I just don't have the nerve---

**and**

The last thing I want to do is shock you by simply blurting it out!

**however,**

I guess I really don't have a choice...

I'm just going to have to take a deep breath,

bite the bullet and go ahead and break the news.

I just pray you can handle what I have to say without over-

reacting---

Well, here goes...

***I AM YOU & YOU ARE ME***

---

Why do you **hate me** as much as **you do**?  
Is it just because **I look** slightly **different than you**?  
Or is it **simply because I'm fair...**  
A **shade** or two here and a few **freckles** or two there?  
Why would **my complexion** cause **you** such **despair**?  
Is it the **texture of my hair**?  
Or could it be the **names of designer clothes I wear...**?  
I **declare!** Why do you **care**?  
Yes, it's **true**, I don't **look like you**,  
But **I didn't have a thing to do**  
With whom **my mother pursued**,  
**Her attitude** nor **her ineptitude**,  
Or, about who **she cooed and screwed**,  
**Laid down** with or **made love to**.  
Whether **she thought** he was just  
**Kind, attractive and handsome**  
Or just so damn **fine she held him captive for ransom**.  
I had nothing to do with **my father's preferences**,  
**His deference's** or **his references...**  
Whether **he was a spiritual man of faith** or **part of a cult**,  
I only know that **from their union I was the result**.  
A **loving child born** into a **world of hate and scorn**,  
Leaving **our sisterhood worn, torn, and forlorn**,  
**Victims of an odd menagerie of wannabes**

And **strong Black women** just **yearning** to be **free**  
From all the **lies** and **false imagery**,  
As **episodes unfold** of the **stories untold**,  
Of **color codes** revealing our **souls**  
And **exposing** all our **insecurities**,  
That **came about no doubt** from our **bout**  
With **inhumanity** during our **brutal captivity**,  
As our **story reads** and **bleeds**  
in the **annals** of **American slavery**.

So, you see, in **reality**,  
There's **no difference** between **you** and **me**.  
**You're not your color**, **I'm not my hair**,  
And it **really doesn't matter** what **clothes** we wear.  
Because when **seen through love** and **spirituality**,  
**I am You & You are Me...**

So, let our **hearts not remain torn apart**,  
Let us **endeavor** to make a **new start...**  
And upon **review**, we **mustn't be blue**,  
We must take that **which is true** and **use it as glue**.  
Here's the **clue...**  
The same **man** that **raped your Great-Great Grandmother**  
**Raped mine too!**  
And **his-story** reads the same when **referring to me and you**.  
**Our ancestors all suffered the**

Same **pain**, same **game**, same **insane refrain**  
As the **centuries came** everything **remained the same**.

So, let **us** not be **played** by the **game**,  
**You and I** are **riding on the same freedom train**,  
They just gave **us all different slave names**.  
As they **hung our Great-Great Grandfathers**  
In the same **noose frames**.

But now that the **pale kitty cat** has been **tamed**  
We mustn't **remain lame**, it's **time** for **change**!  
We must **no longer** be **ashamed** and **estranged**,  
We must **become stronger** and **rearrange**,  
**Regain** and **maintain** and **reclaim our fame**,  
As the **Goddess Queen Mother Isis**,  
**Hatshepsut**, and **Nefertiti** would have  
**us pursue and do, both me and you**.

So, you see, in **reality**,  
There's **no difference** between **you** and **me**,  
**You're not your color, I'm not my hair**,  
And it **really doesn't matter** whether we're **dark** or **fair**,  
Because when **seen through love** and **spirituality**  
**I am You & You are Me...**

**You talk about me** for **no reason**  
As if **I committed treason**,  
Like it's just **hatin' on me season**.

Yes, you're **right**,  
I'm **yellow** and **bright**, **redbone** and **light**,  
But I had **no choice**, **no voice** in the **matter**,  
And just on a **whim**, **My Daddy's good genes** and the **gym**  
Is what made **me slim and trim**,  
And **your hateful comments** didn't **flatter**,  
And on most days when **you called me too skinny**,  
**I truly wished I were fatter.**

I've heard you say, "**She Thanks She's All Dat**,"  
But as a matter of fact,  
If you only **knew** what was really **true**,  
There were many times  
In **my light skinned life of strife**  
That **I prayed I looked just like you.**  
When we were **young** you would **come** and **stare**  
And **touch my hair** and say that **I thought it was good**,  
But I wasn't **aware** it was **just my hair**,  
**Long but strong**, so I didn't care, I knew **God put it there.**  
I just wanted to **share with you like friends do**  
And be **understood** and not **ridiculed in the 'hood.**

So, you see, in **reality**,  
There's **no difference** between **you** and **me**,  
**You're not your color**, **I'm not my hair**,  
And we **mustn't allow** it to cause **us despair**,

Because when **seen through love** and **spirituality**

**I am You & You are Me...**

**At times I swear I hated my hair.**

**Washing and drying** it was such a **chore**,

Trying to **sit still** between **Momma's legs** on the **floor...**

**I was so tender-headed I dreaded it**

When **Momma** had to **comb it** and there were **so many times**

**I wish I could've disowned it.**

**My hair** was as **straight** as it **wanted to be**,

A **Shirley Temple** curl girl was the **design assigned** to me...

But sometimes I wanted to wear it **funky and wild**

You know, like you used too, **Angela Davis Afro style.**

So I tried **Soft Sheen, Ultra Sheen** and **Afro Sheen**,

I tried **Mojo-line, Maybelline** and **Vaseline**,

I tried **Murray's, Dudley's**, and **Sulfur 8**

I tried every **product kind** in **Proline**

And it still stayed straight.

I tried **TCB** but it didn't do a thing for me.

I tried to **brush it rough and tough**

So I could have some **Afro puffs**,

And even though it was **stinky**,

I tried **washing it** in **vinegar** to make it **kinky**,

You just don't know, I **wanted** in the **worst way**

To be able to have **My** tee shirt say,

**"I'm Happy to Be Nappy."**

But **for me** it was **no way**...

So, you see, in **reality**,  
There's **no difference** between **you** and **me**  
**You're not your color, I'm not my hair**,  
And it **really doesn't matter** whether we're **dark** or **fair**,  
Because when **seen through love** and **spirituality**  
**I am You & You are Me**...

And I've had **my own issues** with **my complexion**,  
**My direction, my rejection**...

And in **retrospection**,  
It was a period of **introspection**,  
When **James Brown** was **gettin' down singin'**  
**"Say It Loud I'm Black and I'm Proud."**

Yeah,  
**"Say It Loud I'm Black and I'm Proud."**

And we were all screaming,  
**"Hell No We Won't Go," "Free Huey,"**  
**"Right On," "What's Goin' On,"**  
Gimme me **"Five on the Black Hand Side,"**

While **admiring Superfly** as he rides...  
So, I got **caught-up** in the **trance**  
Trying to **make a Black radical stance**,  
So, I was always **looking** for the **chance**  
To **find me** the **darkest brother** to **romance**,

But **mostly** I just **danced** and **shaked my pants...**

And in **reflection**, upon my **inspection**,

When everyone was **shoutin'** and **spoutin'**,

**"To Be Young Gifted and Black,**

**That's Where It's At,"**

For my **protection**,

I was sometimes **forced** to **make the election**

To **lay low** to **avoid detection**,

But in **reality**, my **pride** inside said it loud to me,

That I would **always be**,

**A true proud Black African sister,**

And **regardless** of the **reception**

That **my color**

was just a **deception**.

So, you see, in **reality**,

There's **no difference** between **you** and **me**,

**You're not your color, I'm not my hair,**

And it **really doesn't matter** what **slogans** we **declare**,

Because when **seen through love** and **spirituality**

**I am You & You are Me...**

Sometimes I used to **feel cursed**,

Because **everyone** was so **terse...**

In most **people's sight** I was neither **Black** nor **white**,

Like somebody **stole my ID** out of **my purse**.

They allowed no time for **insight into my plight,**

**In spite of my clinched raised fist**

I was still **considered trite.**

I had been so **despised**

I thought it **wise to rehearse** just trying to be me

Without feeling that I had to **prove my Blackness first.**

But now I know **we are both Beautiful Black Sisters,**

**I'm not better and you're not worst,**

**I may have more sustenance,**

**You may quench more thirst,**

Or maybe in the **reverse.**

So, we mustn't **frown,**

We come in many **shades** from the **world around,**

**So beautiful it astounds,**

It's a **harmony of skin tone sounds...**

Like pretty **Mellow Yellow, Cocoa Brown,**

**Dark & Lovely, Mahogany and Ebony,**

With skin **smooth as silk, glowing, flowing**

And **sowing, nourishing like chocolate milk.**

If you could **see what I mean, in my dream**

**You and I are playing on the same team,**

**I drink of the same strong Black coffee as you**

With just a **touch of cream...**

So **please don't envy or protest my success,**

**I think of myself as no better than the rest,**

My only **request** is in **our mutual love we invest,**

That's our **critical test...**

**My personal quest** is just a **testament** to the **best**

That exists in the **both of us**

And the **blessings** of the **one God** in whom we **both trust**.

Because in **the end**, **what is meant**

By being of **true Black African Descent**,

Is not in **your skin color**,

**Your dreads, your braids, your wigs, your weave**,

Nor in **your beauty** or what **you've achieved**,

If you look **closely** you'll **find** that **your true Blackness**

**Is found intently** and **wrapped gently** around

**Your State of Mind.**

So, you see, in **reality**,

There's **no difference** between **you** and **me**,

**You're not your color, I'm not my hair**,

It's **really** all **about** the **dream** we **share**,

Because when **seen through love** and **spirituality**

**I** am as **Dark** as **You & You** are as **Fair** as **Me...**

***I REALLY DON'T MISS U***

---

granted... i know this may sound a little harsh---

but baby, since you've been gone

***I REALLY DON'T MISS YOU!***

hey, i know i may still call u a lot,

but that's basically just 2

brighten up yo' day, lift yo' spirits

and keep u from bein' lonely---

but it's not because ***I MISS YOU!***

cause baby, ***I REALLY DON'T!***

now sometimes i must admit,

i might dream about u...

but that's only because i know deep down inside

u really wanna be here wit' me, ya see,

so, my dreamin' about u is just my little way of

making a dream come true for u---

that's all, that's all that is!

it's not because

***I REALLY MISS YOU!***

the only reason i show your pictures

2 everybody is because, ya see,

they seem 2 think u so fine---

but as for me, u look "aw'ight"

but hey, u ain't no

Billy Dee Williams, Denzel Washington, Drake,

Shemar Moore, Michael B. Jordan, Idris Elba,

or nothin' like that!

and yeah, i know on occasions i may send u

flowers & gifts & cards & letters & poetry & write songs

about u, and little things like that...

but it's not because

***I REALLY MISS YOU...***

cause honey believe me, I don't.! naw uh uh!

i jus' be tryin' 2 make u feel better 'bout yo'self, that's all.

cause u know i gots too many thangs 2 do

than 2 jus' spend all my time sittin' up here

thinkin' about u...huh, and u know that's right!

so i don't even know why u say i be trippin'.

but, if u really wanna know the whole truth

about the thang?

the only reason i still do all these thangs is;

well---i hate 2 say this but,

i kinda feel a little sorry 4 u...

cause i know how much u really needed me---

and ya see, jus' maybe, somewhere

deep down inside my heart

i might still care a little bit about u.

but honey pleeeeee!

whatever u do, don't get the wrong impression,  
cause baby

***I REALLY DON'T MISS YOU!!***

***I REALLY DON'T.***

No! I don't,

***REALLY, I DON'T.***

Naw! ***I DON'T,***

how many times i gots 2 tell u?

***I REALLY DON'T MISS YOU!!!***

***I REALLY DON'T...***

DAMN BOY, YOU KNOW

YOU SOMETHIN' ELSE.....

oh, so u don't believe me huh?

u didn't get my email, my instagram,

my tweet? i hit you up on Facebook,

i left u a message on your home and

cell phone, i tried to facetime u too,

so how come u didn't hit me back?

how come u didn't hit me back?

mmm-hm yeah,

u thought i what'n gon' be

able 2 get over u didn't u?

didn't u? ah huh didn't u?

but i guess i showed u, cause

*Go Sit In A Corner And Think*

***I REALLY DON'T MISS YOU!!!***

***REALLY, I DON'T,***

DAMN!

how many times

i got 2 tell u?

***MY BEAUTIFUL AFRICAN PRINCE***

---

***MY BEAUTIFUL***

***AFRICAN PRINCE,***

From the beginning...

**I've Watched**

you drink from all the

**Sacred Waters of the World...**

when mankind was just an infant and humanity

was merely a thought in the infinite mind of

**God.**

In recent times...

**I've Watched**

others building

**Castles of Sand**

that time has washed away...

while long ago

**I Watched**

you build

**Great Pyramids in the Sand---**

that seem to wash time away...

***MY BEAUTIFUL***

***AFRICAN PRINCE,***

**I've Watched**

*Go Sit In A Corner And Think*

you absorb the blessings of the

**Sun...**

with your **Melanin** enriched

**Chocolate, Ebony, Carbon Black Body,**

which gave you the strength and wisdom to build

**Great Temples to the Gods**

and even

**Greater Temples Within Yourself**

to house the

**Spirit of God...**

and with

**The Vision of a Falcon,**

**The Strength of an Elephant,**

**The Dominance of a Lion,**

**The Tenderness of a Butterfly,**

**The Grace of a Flamingo,**

**The Swiftiness of a Cheetah,**

**The Cunningness of a Fox,**

**The Beauty of a Peacock**

and

**The Patience of a Vulture...**

**I've Watched**

you build

**Your Families into Communities,**

**Your Communities into Cities,**

**Your Cities into Kingdoms,**

and

**Your Kingdoms into Empires,**  
while others had yet to venture far beyond their caves...

***MY BEAUTIFUL***

***AFRICAN PRINCE,***

**I've Watched**

you teach the world

**Agriculture, Religion, Astronomy, Math,**  
**Science, Architecture, Law, and Medicine...**  
so, I know your **Future** is **Bright**, because...

**What You Have Done, You Can Do!**

**I've Watched**

you rub our

**Love Together---**

making **Sparks** that set our **Hearts Aflame**  
and branding me forever with the **Mark** of

**Your Love,**

**Your Sweet Love,**

**Your Tender Love,**

**Your Caring Love,**

**Your Un-dying Love...**

So, remember...

that "I,"

*Go Sit In A Corner And Think*

***Your Beautiful African Princess***

was there

**In The Beginning...**

and I am still here

**Now,**

and I will always be here---

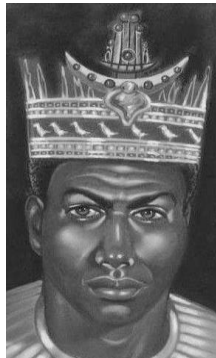

**Hand in Hand,**

**Side by Side,**

with

**My Love embracing Your Love,**

**Watching You**

***MY BEAUTIFUL***

***AFRICAN PRINCE***

**WHY DO I...?**

---

---

**WHY DO I...**

smile

while u make tasteless remarks about me

in front of all our friends?

**WHY DO I...**

after you've invited me over

just sit there

waiting patiently for hours-----

while u talk on the phone

2 someone else?

**WHY DO I...**

let u use my car

so that

---if by **chance**,

---just in **case**,

---maybe,

---u might **decide**

that u want 2 go some place

you'll have transportation,

while i have 2 catch 2 buses

and the subway 2 get 2 work?

**WHY DO I...**

always have your presents wrapped

& waiting 4 u---on

---**holidays,**  
---**birthdays,**  
---**lovers day,**  
& i mustn't forget  
---**father's day**  
but, even after reminding u  
there are seldom presents waiting 4 me?

**WHY DO I...**

always give u my **last dollar**---  
after you've admittedly done something foolish  
with your money,  
then, when i need to **borrow** a few dollars from u  
2 get back & forth 2 work,  
u give me a speech about how i should  
budget "my" funds more wisely?

**WHY DO I...**

allow u 2 come over & screw  
when u want 2---  
but, when i want 2 **Make Love**  
you've always got something else 2 do?

YEAH---

**I KNOW WHY...?**

cause  
that shit was  
yesterday...  
when i use 2 be in **Love**
