I would like to sincerely acknowledge all of the kindhearted spirits that have given me much knowledge and knew not that they had given me anything at all...and the works, teachings and wisdom of

Robert Barnes, Reverend Edward Maxwell, *The Book of the Coming Forth by Day*, (more popularly known as the *Egyptian Book of the Dead*), The Osirian Drama, Amen Ra, Imhotep, Akhenaten, Siddhartha Gautama, Jesus the Christ, Kahlil Gibran, Deepak Chopra, Dr. Wayne Dyer and Eckhart Tolle for their inspiration in helping me to realize my relationship with, and to "*The Source*," whom many may refer to as *God*

I would especially like to thank my wife Diane Barnes for being
the
One
for me.

Jeannetta Stitt-Douglas for being the
One
sounding board that listened to my Spirit speak out loud.

I would also like to thank Damon R. Ritchie for his wonderful and
amazing photographs that were perfectly
in-Spirit with my vision of
One

Dedication

To my dear father and mother,
Robert and Yvonne Barnes,
who always encouraged and allowed me
to be a
free spiritual thinker...

Author's Note

For the purpose of this work, I have chosen to use the term God in relationship to the “Source,” as it seems to be more universally familiar. However, I make no judgments and offer no preferences to whatever one chooses to call the Source. God, The Christ, Allah, The Great Spirit, Buddha, Shiva, Brahma, Shango, Oya, Inti, Viracocha, Osiris, Isis, Horus, Amen-Ra, etc. are all fine gateways to Source. So please feel free to apply the knowledge and principles described herein to the deity’s name that best corresponds to your particular faith or belief.

♥ *One: An Easy Guide To Understanding God, Spirit & Love* ♥

The search for God

begins with finding you...

♥ *R. Ray Barnes* ♥

...and you are closer to God

than you may think you are.

♥ *One: An Easy Guide To Understanding God, Spirit & Love* ♥

♥ *R. Ray Barnes* ♥

God is the creator

and our bodies

*However, it is our Spirit
that is made in the same
image and likeness of
God...*

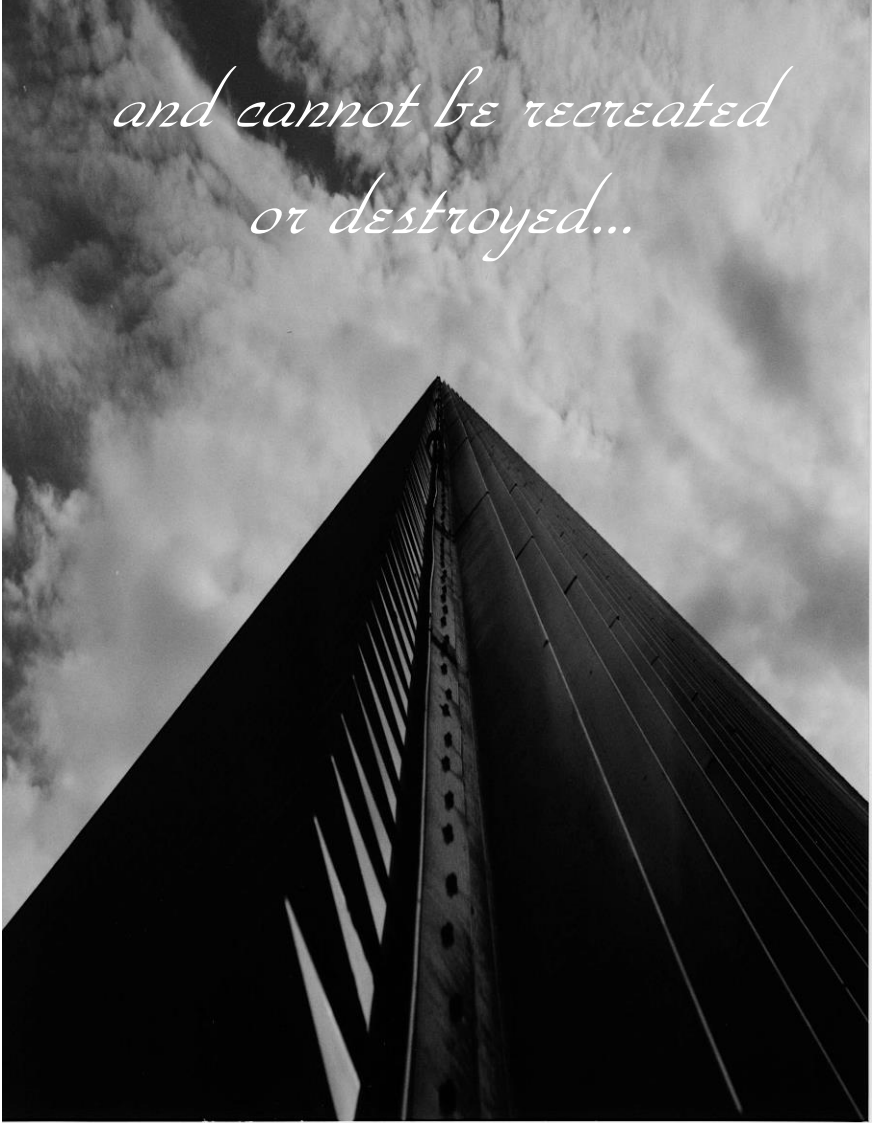

*that is why
our body dies
and our Spirit
does not.*

*Our Spirit, like God
is infinite and eternal,*

♥ *R. Ray Barnes* ♥

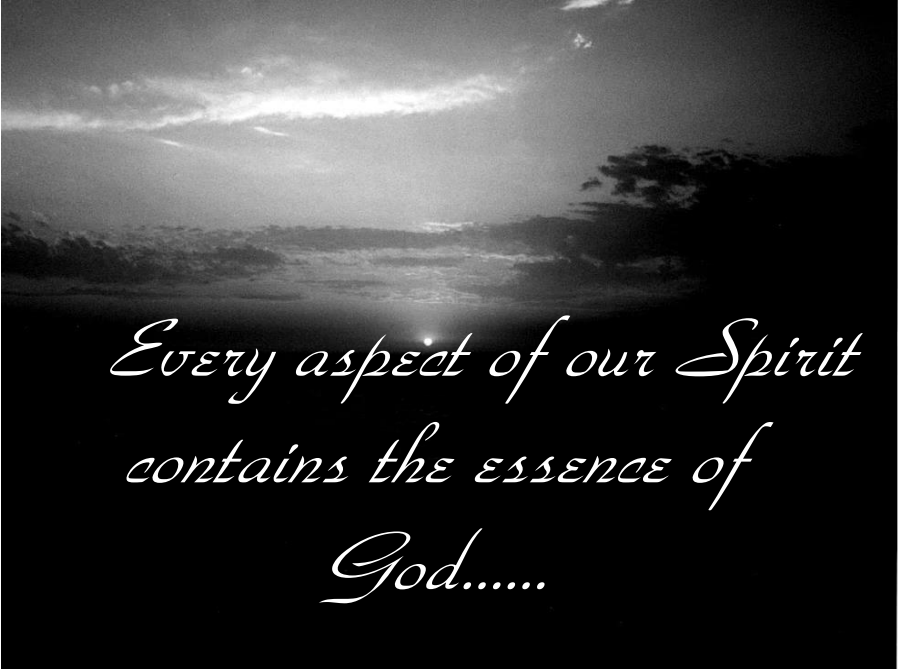

*and cannot be recreated
or destroyed...*

*Our Spirit
was, is,
and always will be...*

*Our Spirit is
inseparable and indivisible
from its creator,
which is
God
“The Source.”*

*Every aspect of our Spirit
contains the essence of
God.....*

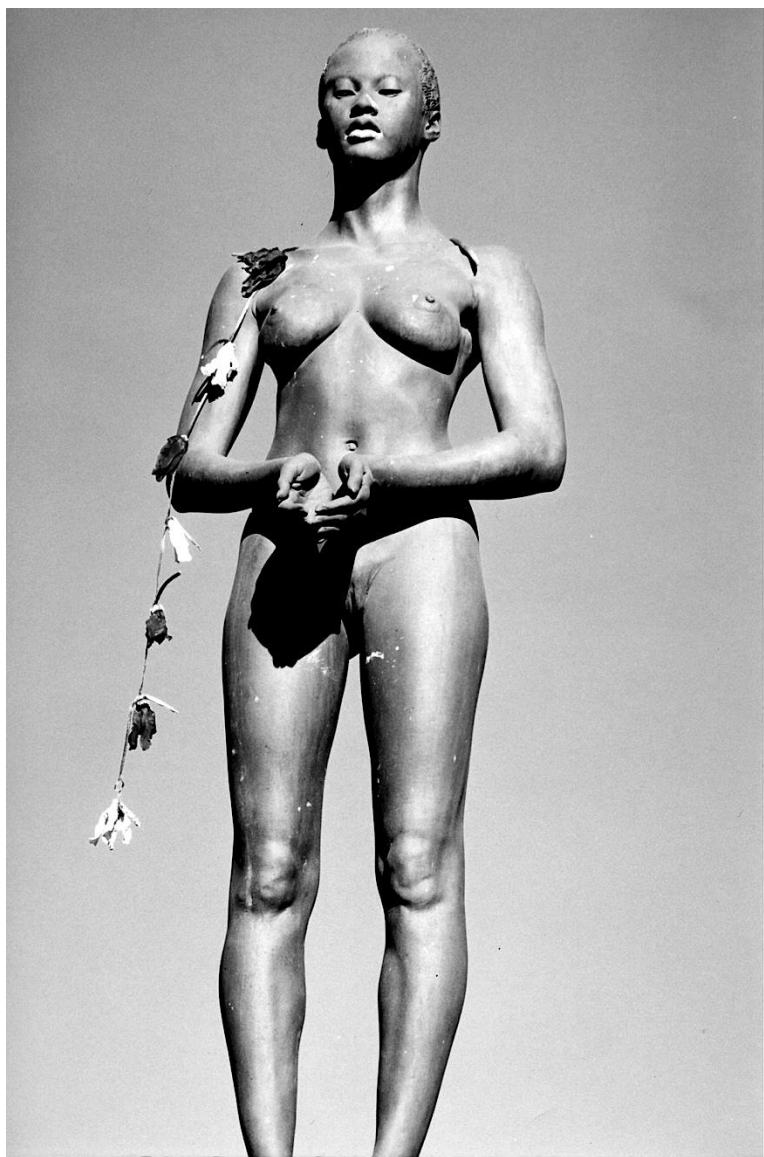

♥ *R. Ray Barnes* ♥

*as does every aspect of
nature.*

*But many of us do not
live within,
or abide by
our Godly essence—
because we have been led
to believe
that the body
is where
our
Spirit lives.*

♥ *R. Ray Barnes* ♥

*Although it may seem at
times that our Spirit
dwells in our body,
we must realize that our true
spiritual home is with
God.*

♥ *R. Ray Barnes* ♥

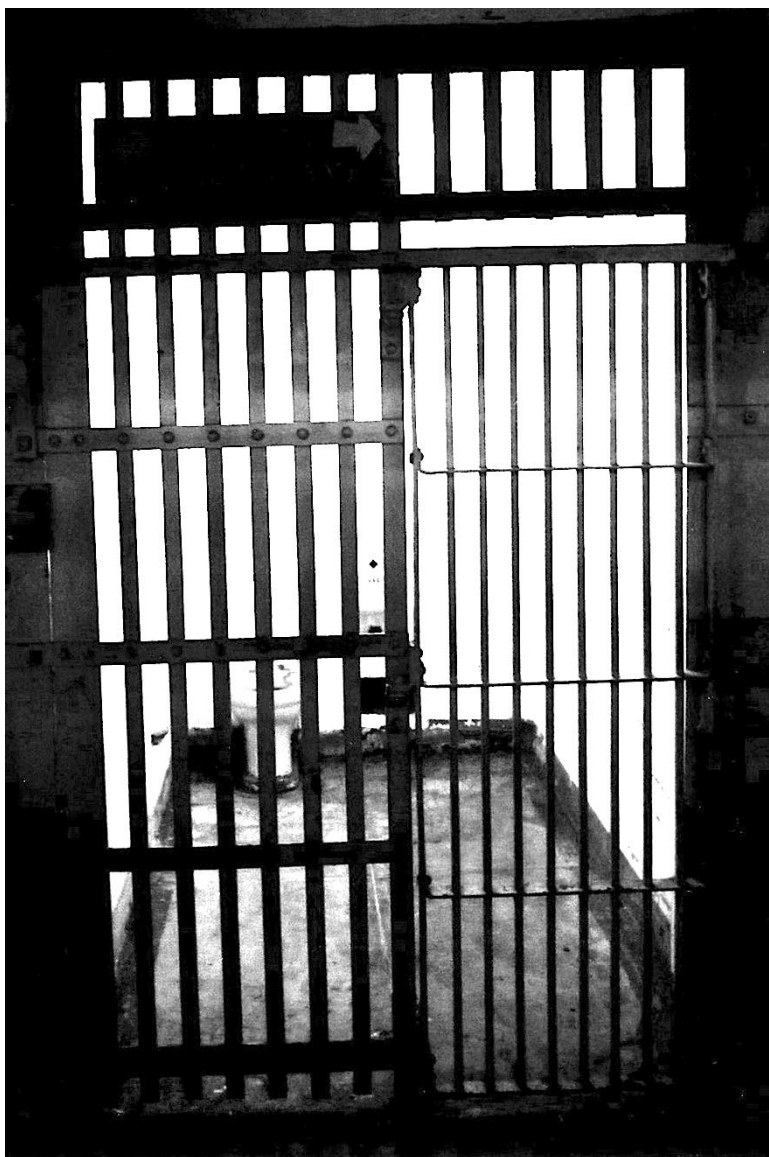

*While it is necessary
during our human sojourn
for our Spirits to work in
harmony with our Bodies,
we are often misled—
and relinquish power
over our Spirits
to our Bodies,*

♥ *R. Ray Barnes* ♥

*allowing our Spirits to be
falsely imprisoned and
influenced by the
limitations and desires of
the body—
causing us to conduct our
lives based on the confines
of our misperceived
bodily host.*

♥ *R. Ray Barnes* ♥

*Yet, as soon as we
understand and accept that
the human body is not our
spiritual home,
we are reawakened and
become free again to be
guided by and live more
consistently in-Spirit.*

♥ *R. Ray Barnes* ♥

*Though we appear to be
individual Spirits, all
our Spirits are derived
from the same Godly
source and possesses the
same God essence...*

♥ *R. Ray Barnes* ♥

*However, how we use and
access our God essence is
by our own freewill,
awareness and knowledge
of our connection and
relationship with God,
The Source.*

*As with the millions of
cells in our body,
each cell contains
all the information
necessary to make
every other part
of our body.*

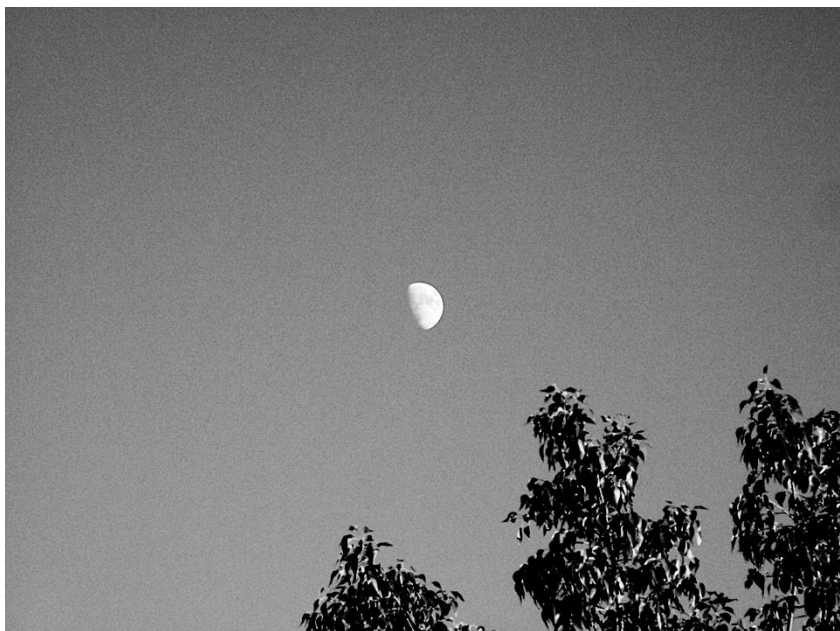

♥ *One: An Easy Guide To Understanding God, Spirit & Love* ♥

*And though
our cells divide,
they each retain
an exact copy of the
all-important
“source” information,
which we
call
DNA.*

*As each of our cells
cannot truly be separated
from its source, or from
each other cell, our Spirit
cannot be separated from
its God source or from any
other Spirit, thereby
making us all related and
spiritually inner-connected.*

♥ *R. Ray Barnes* ♥

*And even though one may
be unaware of their
spiritual connection to
God,*

*their bond to the God
source remains everlasting
and may never be broken...*

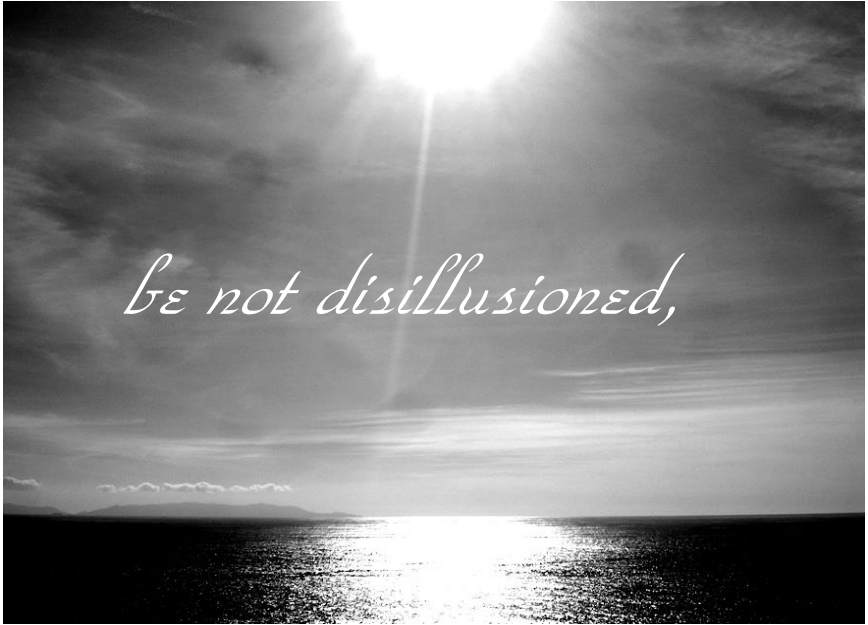

*and at any-time they
become aware, the
connection to Source is
ever present.*

♥ *R. Ray Barnes* ♥

*Roadmaps...such as
Bibles, Holy Books and
Sacred Texts may be
needed for some, and may
be helpful to others
who are on a quest
to find
God.*

However,

God is not lost...

*Because one
fails to recognize
God within
them, does not mean
God is not present.*

*Even as one may not see
the life sustaining air that
they breath, nevertheless,
the air is still there.*

*When one becomes aware
of, gets in-touch with, and
realizes their true self,
it will be revealed to
them that they are the
destination...*

*and that the true journey is
finding, discovering, and
uncovering one's self...
wherein lies
their passport
to God.*

Yet, if one is unable to

*find himself or herself,
God does offer guidance...*

*However, God will not
direct one's path until they
express a true desire and
take the initiative to start
traveling upon it.*

*It matters not how much
one professes their faith or
belief in God...*

*No amount of faith or
belief alone proves one's
relationship with
God...*

*It is knowing God that
truly matters!*

*And it is proper
action upon one's faith
and belief that leads
them to knowing
God...*

*And knowing God can only
be evidenced by how one's
relationship with God
manifests itself in their
behavior.*

*God is to one's
life
what God does to one's
life...*

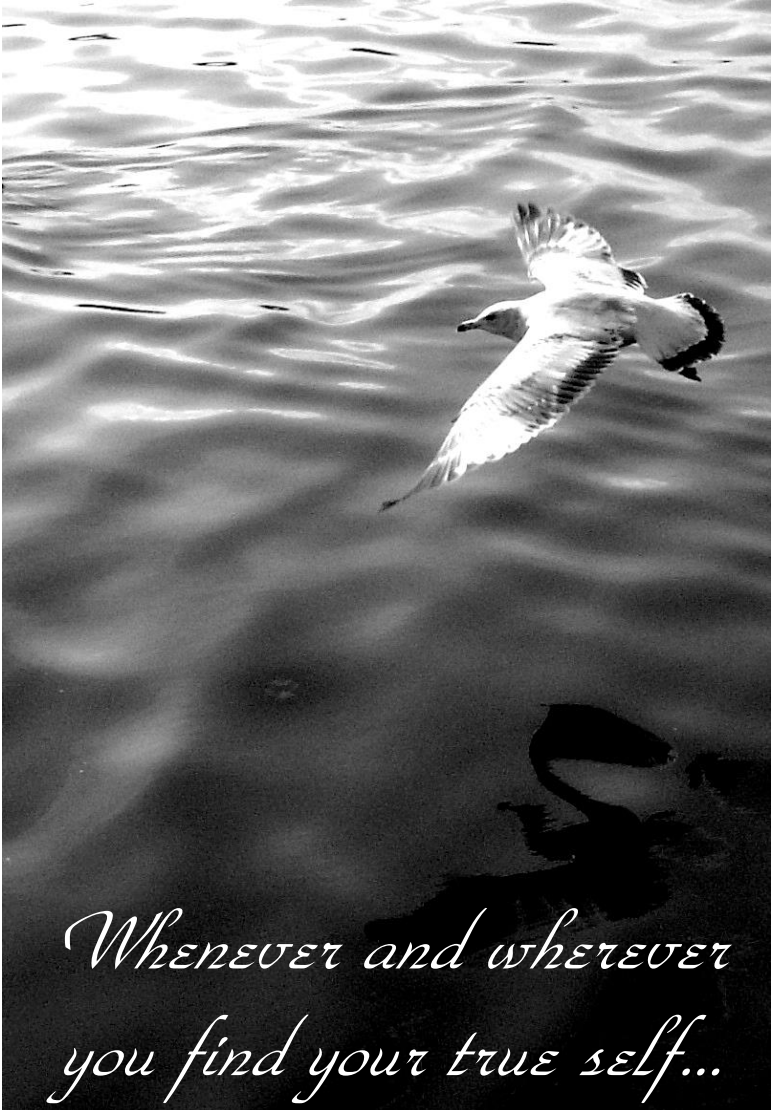

*Contrary to popular belief
God works with you, not
for you...*

*One must realize that
wherever they stand is the
center of the universe and
that they need not travel
any further than where they
are right now to find God.*

*Finding one's self
is the final frontier,
and upon arriving at the
door to one's own soul—
they will surprisingly
find themselves
in heaven
with God greeting them
with open arms.*

♥ *R. Ray Barnes* ♥

*Whenever and wherever
you find your true self...*

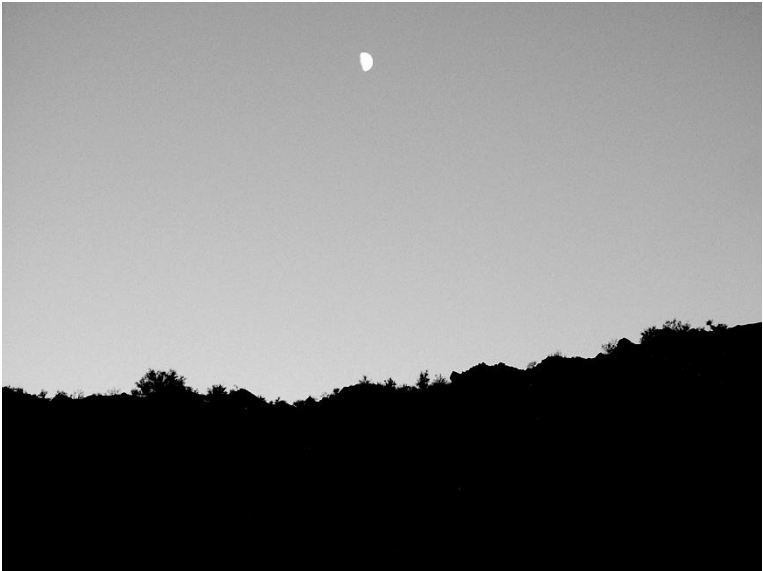

God, Spirit & Love

will be there also.

♥ R. Ray Barnes ♥

*When spiritually connected
to Source,
you are never alone...*

*Finally,
know that heaven is when
you achieve Spiritual
affinity with God,
heaven is not a physical
place or destination—
and you may be surprised
to learn that death is no
prerequisite to getting
there!*

*It's imperative that you
realize that heaven is
always open to you, and
you can visit whenever you
desire and remain as long
as you like.*

*However, heaven is best
entered from
where you are right
Now!*

*When you live
In-Spirit*

*the stars are within reach,
the bottom of the ocean,
as well as
the center of the Earth—
there are no limitations...*

*When you Live
In-Spirit*

*time ceases to exist;
there are
no seconds,
minutes or hours—
only the now...*

*When you live
In-Spirit*

there are no orientations,

no

*Left, right,
up or down—
only center...*

*When you Live
In-Spirit*

*there are no judgments,
no
right, wrong
or maybe—
only truth...*

*When you live
In-Spirit*

*there are no
feelings to negotiate,
no pain, pleasure,
joy or sorrow—
only love...*

*When you Live
In-Spirit*

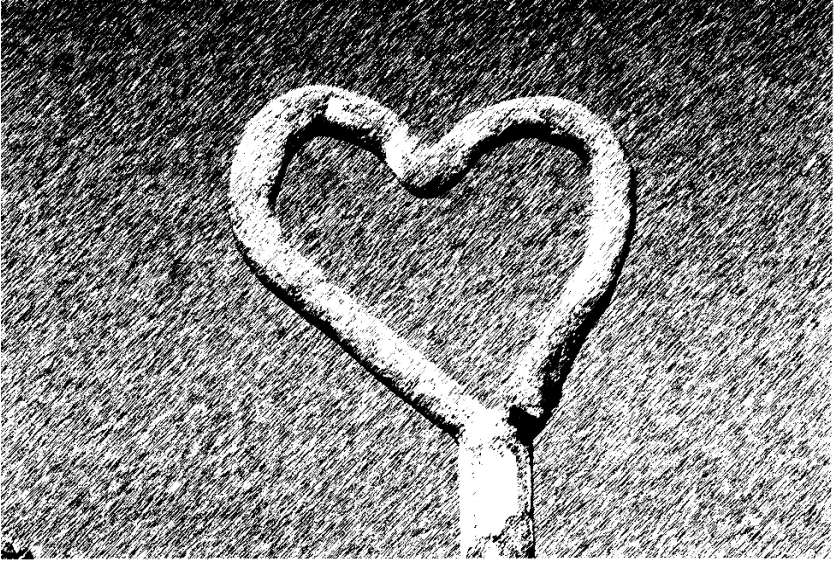

*there are no
struggles to survive,
no fear of life,
illness, lost or death—
only being...*

*When you live
In-Spirit*

*you will recognize
God and Love
as
inseparable and indivisible
from you...*

♥ *R. Ray Barnes* ♥

In other words,

*When you live
In-Spirit*

*you will come
to know that
God, Spirit, Love
and
You
are...*
