The Power Of Uniting In Love

When you inner-connect spiritually with that special someone, that special “true love,” your “soul mate,” the energy created from this spiritual union of love gives birth to a oneness that transforms you and your mate into a single more dynamic source for love and manifestation of love, much greater than either of you could be alone, whose capacity for and capability to love increases exponentially. When this occurs, by virtue of the power and impact inherent in such a fusion of love, it will become the most important occurrence in your life—and could very well be the closest thing you’ll ever experience that mirror and reflects the “first love” that the creator had for humankind.

*I wish to thank all the persons, places, and things that
have touched my life and given me inspiration...*

*To everyone
that I have been fortunate enough to meet,
befriend, care for and love; especially those who have
been kind and loving enough to care for me.*

*To my dear wife Diane and my family:
Damon, Christopher, Jordan, Damon Ray, LaDraya, EJ,
Brianna and Isaiah for loving me despite my imperfections.*

*Especially to my parents, Robert, and Yvonne Barnes,
these thoughts are merely an extension of the
love and wisdom that you've given me.
Your love and spirit are always a part of what I do.
I love and thank you with all my heart.
May you rest eternally in peace forever together...*

Dedication

To all those who seek true love...

You must always remember and never forget---that you are more than what meets the eye. The essence of your beauty lies within. So don't be afraid to look deep inside to explore the full expanse of your heart and inner soul.

If you dare to undertake the journey, you will find there a boundless treasure of love and great gifts of understanding, patience and trust just waiting for you to discover and claim...

You may have visited your inner essence before at midnight in your dreams and didn't remember its existence.

However, to realize your treasures and receive your wonderful gifts, you must venture there at midday with your subconscious mind wide open to the fullness of the creator's bright light so that you may clearly envision the vast riches that were bequeathed to you.

Once accomplished, if you then share the treasures of that knowledge and understanding wisely, your heart shall be filled with enough love, peace, joy, and happiness to last forever...

Love, Life, The Creator & Me

A 3 Day Flight

*Though we're lying
right next to each other
in the same bed
Under the same spread
with Soundscapes
filling our same heads,
yet,
Loving words go un-said,
and touching is all but dead...
Like a Supermoon
in plain sight
on a clear night,
seeming close enough
to touch
Yet, it's
A 3-Day Flight...*

A Garden Of Thorns

Standing amidst a
Rose Garden
of
Beautiful Flowers
bursting in a
Rainbow of Vibrant Colors
while
ingesting the
Fragrant Aroma
that infiltrated the air,

She
could only
See
the
Thorns

A Great Love

a

Great Love

is much like

*the **Great Pyramid**,*

it seems impossible to build,

but, when it's built upon a solid foundation

*with the proper materials, knowledge, labor, dedication,
spirit and purpose, it will last forever, and people will come*

the world over

to

witness and admire

it.

All Women Are Beautiful

*How cannot the vessel
that brings about **Life** be not **Beautiful**?*

*If there were no **Women**
we would not exist to even have
any concepts of **Beauty**...*

***Without Women,**
there is
no Life, no Existence, no Beauty...*

*I celebrate all the
Beautiful Women
that gave to **US**
and
still gives **US**
Life*

Always & Forever

*When you **cry***

my heart weeps your tears.

*When you **laugh***

my soul is filled with your joy.

*When you **hurt***

my spirit feels your pain.

*When you get **cut***

my love bleeds for you.

*When you're **afraid***

the core of my being embraces you

and encircles your fear with

love and security...

Maybe one day you will

understand true forgiveness

*and **know** that*

*I've **forgiven** you even before*

you've transgressed...

Maybe one day you will

understand that I truly love you

unconditionally and in spite of...

And if we're never

allowed the blessing of coming together,

I will still love you...

True Love

has no hiding place.

So,

in whatever time and place

you come to truly trust in my love,

just

open your heart

and

you'll find

My Love

there for you,

Always

&

Forever ...

Bad Timing

*I Loved Her
and
She Loved Me,
but it seems
our
Love
just wasn't in Sync
to be...
You see,
We
resided in the same
Mental & Spiritual Zone,
but lived in
a
different
Physical & Time Zone...*

Bejeweled

*She has lots of jewelry,
much too much for one Girl,
Each and every part of Her
seemed mined from around the world.*

She's So Naturally Bejeweled...

*What a wonder She is to see,
such a gorgeously beautiful sight,
Like a Super Moon shining
when She flashes Her Pearly whites.*

She's So Naturally Bejeweled...

*Her eyes glistens like Diamonds,
and Emeralds adorns Her curly locks
Her heart is so full of Gold
much more valuable than Fort Knox.*

She's So Naturally Bejeweled...

*Her lips are liken to Rubies,
She struts heads-up with Class
Her skin is so beautifully Bronze
statuesque as if sculptured in Brass.*

She's So Naturally Bejeweled...

*To say Her embrace is priceless
understates Her tender touch,
The 45 carat Hope Diamond
can only hope to be valued as much.*

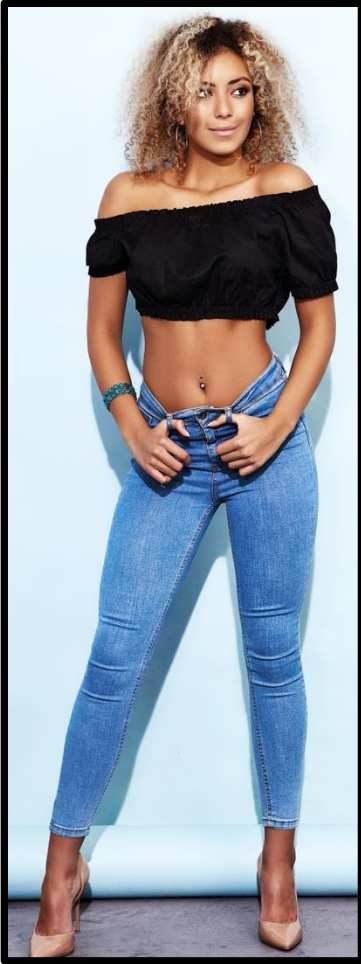

She's So Naturally Bejeweled...

*The Sun seems less bright
than Her scintillating smile,
Cartier, Tiffany, and Harry Winston
can't seemed to match Her*

BEJEWELED

style...

Blue Jeans

(them)

HER
Blue Jeans
were
SO TIGHT...
she must have
painted them
ON.
And
I
used up
ALL
MY
TURPENTINE
tryin' to
GET

OFF!

Bow Down, Lift Up

God

is not

concerned

with

how far you bend

*on the **Outside***

to

Bow Down to Him...

God

is only

concerned

with

how far you reach

*on the **Inside***

to

Lift Up to Him...

Definition Of Love

*If I could **See** the **Look** of Love,*

I sense it would be

*Beautiful, alluring and radiant—like your **Smile**...*

*If I could **Feel** the **Touch** of Love,*

I sense it would be

*Soft, smooth, and silky—like your **Skin**...*

*If I could **Hear** the **Sound** of Love,*

I sense it would be

*Melodic, harmonious, and rhythmic—like your **Spirit**...*

*If I could **Inhale** the **Scent** of Love,*

I sense it would be

*Sweet-smelling, aromatic, and fragrant—like your **Body**...*

*If I could **Taste** the **Flavor** of Love,*

I sense it would be

*Delicious, luscious, and everlasting—like your **Kiss**...*

*Having never understood the true **Meaning** of Love,*

***Seeing** you, **Touching** you, **Hearing** you, **Smelling** you,*

*and **Tasting** you, is the only*

Definition Of Love

I need...

Don't Stop Lovin' The Music

From Coltrane to Soul Train

You've got music in yo' brain,

Better respect it don't neglect it,

*Before you go **Dizzy** insane in the membrane.*

Yeah I'm droppin' names

Cause without history you can't sustain,

So if you goin' anywhere

Ya better take the "A-Train" to fame.

Miles smiled on all music styles

From "Be-bop" to "Hip Hop"

To "Drop It Like It's Hot,"

From "Blues" to "Cool"

Don't be fooled by the groove,

Music's just a tool and fuel for the Black Box,

*From **Tupac** to Hip Hop to "Hard Rock."*

So

Don't Stop Lovin' The Music,

Use It, Fuse It, Muse It

But Don't Abuse It!

Now who knew as the "Bitches Brew"

*What the **Q** would do? with **Williams, Mary Lou***

*And **Big Joe** headin' the crew...*

*You know music is an **Art**, from **Tatum** to **Blakey***

*From the **Boss** to **D. Ross**, from **Pharaoh** to **Sun Ra***

*It's your Ka, it's your Ba,
It's your soul it'll never grow old!*

*From **Lil' Richard**, to **Big Mama Thornton**,
To **Big Daddy Kane**, **Ma Rainey**, **Sinatra**,
It's all the same, no matter the name,
No matter the groove,
It's music if it makes you move...
From the **Beatle's** to the **Stone's**
To **Kiss**, won't be remiss,
Cab, **Herbie**, **Wynton**, **Lena**, **Max**, **Ella**,
And that fella **Mingus** is like cunnilingus!
So*

***Don't Stop Lovin' The Music,**
Use It, Fuse It, Muse It
But Don't Abuse It!*

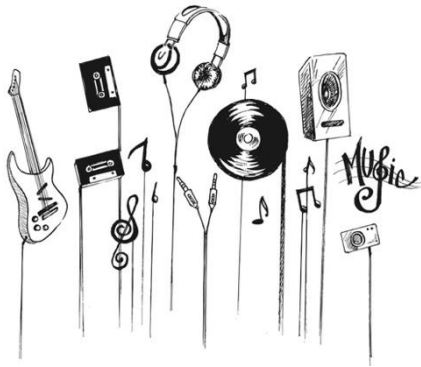

*There I go, there I go again,
Talkin' 'bout music like it's my best friend,
From **King Pleasure** to **Louie's** "Hot House Five,"
Makin' the music come alive and thrive,
Flying like **Bird**, haven't you heard the word?
So, jus' pump yo' brakes
Don't be fake and hate on **Drake** cause
It's **Billie's Holiday** and **Marvin's** feelin' mighty **Gaye**,
So get out the way I've got tribute to pay...*

*From **Motown** to **Philly Sound**,
Let us **Stax** the facts, you ever*

*Wonder 'bout the **Prince**, the **King Cole**,
The **Queen**, **MJ**, **EP**, **JB**, **Sister Ree**,
Josephine Baker worldwide moneymaker
And you can **Count** on it!
Bessie, **Biggie**, **U2**, **T-Monk**,
Parliament-Funkadelic,
I'ma gon' and tell it!*

So

***Don't Stop Lovin' The Music,**
Use It, Fuse It, Muse It
But Don't Abuse It!*

Don't Take Love Or Life For Granted

Granted...
you've now
finally found
the
True Love of Your Life.

And now
that you've
finally found
it,
don't take
Love
or
Your Life
for
Granted...

Finding God

*Why are you searching
the **Sky**
to find **God**?*

*Beyond the **Clouds**
is where
you may find **God**
after you **Die**...*

***Inside your Heart**
is where
you'll find **God**
while you're still **Alive**!*

*...but, on second thought,
maybe*

***You're**
Dead Already...*

God Is The Giving

God is the Giving as the Giving
is the Joy as the Joy is the Love as the Love is
the God as the God is the Giving as the Giving
is the Joy as the Joy is the Love as the Love
is the God as the God is the Giving as the
Giving is the Joy as the Joy is the Love
as the Love is the God as the God
is the Giving as the Giving is
the Joy as the Joy is the
Love as the Love is
the God as the
God is the
Giving
And as long as you continue
Giving
you will forever be
in Joy
in Love
in God

Handle That

I reach for a sky

that i will never touch...

(and i know it).

But I understand, can deal with, and can handle that.

I reach for your love

that i need so much

(and i show it).

I've come to sunny California

to find...

that the sun doesn't always shine.

as a matter of fact

it even sometimes rain...

*(but i can **Deal With That**).*

I've come to realize

that what goes up

must come down...

(and now i see, that includes me).

I've come to learn

that what goes around,

will soon come around...

(that means me too!)
thank God for opposites.

But with all the faith that I have in my heart

(and i do)
in time it may skip a beat.

----A HEART ATTACK----

could suffer one...
(and i Understand That).

But if there ever came a day

when your love for me was not...
as a matter of fact
i don't think i could

(Deal With, Understand, or)

Handle That!

Her Kiss

It all started with

Her Kiss...

*Followed by days of heavenly **Bliss***

*Didn't know such a feeling could **Exist---***

Until I tasted the sweetness of

Her Kiss...

*Into the night our bodies did **Twist***

*Sinking deeper into ecstasy's **Abyss***

*As we both were caught in the **Gist***

*The **fear** of love hung in the **Mist---***

As I inhaled the sweetness of

Her Kiss...

*If not for her my heart would be **Remiss***

*So wonderful and lovely was **This***

*Loving her made the top of my **List***

*Taste better than chocolate made by the **Swiss---***

I truly miss the sweetness of

Her Kiss...

*Now I'm lying here trying to **Resist***

*As I close my eyes and **Reminisce***

*The cold sweats and hot dreams **Persist***

*So close to love but I wouldn't dare **Insist---***

Just captivated by the sweetness of

Her Kiss...

R. Ray Barnes

*She is such a beautiful and intelligent **Sis**
But she chose to **Cease & Desist**
I'm so disappointed in love, **Boo Hiss**
I often wish that we could **Re-enlist**
For a few more moments of heavenly **Bliss---**
That only "comes" from the sweetness of
Her Kiss...*

How Will I Know Her?

*I will know **Her** because...*

She will be Beautiful

*Like a **Flower***

Like an April Shower

*Like **Her** Spirit—**Beautiful***

*Like **Her** Smile—**Beautiful**...*

She will be Colorful

*Like a **Flower***

Like a Rainbow

*Like **Her** Personality—**Colorful***

*Like **Her** Style—**Colorful**...*

She will be Soft & Gentle

*Like a **Flower***

Like an Angel

*Like **Her** Heart—**Soft & Gentle***

*Like **Her** Touch—**Soft & Gentle**...*

She will be Illuminating

*Like the **Sun***

Like the Moon

*Like **Her** Eyes—**Illuminating***

*Like **Her** Thoughts—**Illuminating**...*

She will be Hot

*Like the **Sun***

Like Fire

*Like **Her** Passion—**Hot***

*Like **Her** Desire—**Hot**...*

She will be Life-giving

*Like the **Sun***

Like the Earth

*Like **Her** Love—**Life-giving***

*Like **Her** Soul—**Life-giving**...*

So, you see,

*I will know **Her** because...*

She will be Illuminating,

Hot & Life-giving

*Like the **Sun**...*

She will be Beautiful,

Colorful, Soft & Gentle

*Like a **Flower**...*

*and I will know **Her** because...*

She will be

My Sun-Flower

I Can't Wait

I Can't Wait

*to have you so close to me
that when i breathe deeply i can inhale
the intoxicating aromatic scent of your love.*

I Can't Wait

*to hold you in my arms so tightly
that i can feel the pulse of your heart pumping
that warm soothing love that flows through your veins.*

I Can't Wait

*to witness the beauty of your smile shinning so bright
that it lights up my life and the deep dark recesses
of my love starved soul.*

I Can't Wait

*to press my lips upon your soft and juicy lips,
tasting the dark sweet chocolate, caramel, honeysuckle kisses that is
your love.*

I Can't Wait

*to hear the sensuous sound of your voice
as you whisper so tenderly from one ear to the other
how much you truly love me.*

R. Ray Barnes

I Can't Wait

for us to share the same time and space

so that you can

smell, feel, see, taste, hear and sense

how much

I Love You...

...and

as I sit and speculate,

I feel my heartbeat accelerate...

I Can't Wait, I Can't Wait, I Can't Wait,

Can you?

I Thoughts

I

wear my contact lenses on my mind's eye

so

I can see my thoughts more clearly.

I

wear my earbuds throughout the day

so

I can turn up the volume on my positive thoughts.

I

walk backwards sometimes

so

I know where I've been and where I'm going.

I

wear my glasses to bed

so

I can see my dreams in focus.

I

lie to myself sometimes

so

I

don't have to think about

my undesirable truths...

so

I

R. Ray Barnes

guess
Descartes
and
I
have something in common...
“I think therefore I am”

“I think therefore I am,” is a quote by
philosopher René Descartes

I Will Tith More Often

*She was beautiful and petite
with a heart so soft and sweet
Though only big as a minute
there was timeless love packed within it.
With smiling eyes so bright
they sparkled like Sirius at night
After a word or two here
and a sentence or two there
A hug we did share
as I found it hard not to stare
I'm sure she was aware
but I really didn't care.
It was such a wonderful surprise
to find her so thoughtful and wise,
A spirit so alive
she appeared a teenager in disguise.
So creative and outspoken
no words were just tokens
And such a pleasure it was for me
to hear thoughts flowing so free,
I smiled in **My** delight
and sometime during the night
She asked if I were aware
of a love poem that I could share.*

*So I searched my inner-sight
and no poem seemed quite right,
The only thoughts in my head
was getting her into **My** bed...*

*Now I'm ashamed to decry
but **Lord** I can't deny
please forgive **Me** as I try
to explain **My** reason why.*

*On bended knees **I Confess**, I know I failed **The Test**
But in **My** humble defense, I have this to dispense...*

***You** made her so damn fine
so thoughtful and divine,
so sexy and sublime
I completely lost **My** mind.*

*Though this may sound insane
I'm asking in **Your Name**
to relieve **My Stress**
and fulfill this **One Request**
to get*

My Member Under Her Dress...

*...and
Lord if **You**
answer this one **Prayer** for **Me**
I promise **You** will see
that*

*Until I'm in **My** coffin*

I will

Tithe

more often!

If Looks Could Kill

If Looks

can kill

then Hugs

can heal

and

Love

can reveal

the goodness

and unseal

the

God Inside

that

we often

conceal...

If You Attend Church

*If you attend **Church** & say you **Believe**—
that **God** is a **Part of You**
Inseparable and Indivisible...
then why aren't
YOU
Acting
like it?*

*If you attend **Church** & say you **Believe**—
then don't just
Magnify His Name,
Magnify His Love
and
Behavior
within
YOU
too...*

*If you attend **Church** & say you **Believe**—
It's not enough to just be made in the
Image of God,
YOU
must
Live and Behave*

R. Ray Barnes

in the
Image of God
as well...

...but
that's
If
YOU
attend
Church
&
say
YOU
Believe...

In A Very Special Way

*As I awake and look into the mirror,
I see a reflection of **Me**...
Handsome and profound,
More powerful than a locomotive,
Able to leap tall buildings in a single bound.
Yes, here I stand a **Superman**!
Though super as I am, damn,
Sometimes I've struggled to keep pace,
But it's because of what you've instilled in me
That I've been able to remain in the race...*

*But,
as I stepped aside from **My** reflection,
after some introspection,
I saw you inside smiling,
holding me up
and
pushing me along,
catapulting me into the world,
being the
Rhythm, Melody, and Lyrics to **My** Life's Song.*

*So, at night before I go to sleep
I pray and ask **You My** soul to keep.*

R. Ray Barnes

*Because I know in all my dreams there's the reality,
that if not for **Your Sacrifice and Love***

*I could never be free to be **Me...***

So, I just want to say,

I Love You Mom

In A Very Special Way...

Inseparable And Indivisible

*Your eyes are wide open
and you're wondering why
you have yet to find **God**.*

*You've searched everywhere—
in the **Sky**, behind the **Clouds**, beyond the **Stars**
and **God**
wasn't there.*

*You've had council with
Popes, Prophets, Priests, Pastors, Preachers
and still, no **God**.*

*You've consulted with
Holy Ghosts, Angels & Kindred Spirits,
and you've found no **God**.*

*But to your surprise,
God
has been hiding from you
in plain sight
and
all you need do
is close your eyes*

and stop looking for
God....

Just go
with-in
and feel around—
and you'll discover that,
God
is a part of You...
Inseparable
and
Indivisible.

Invitation

I

Invite You

to come into

my life

void of strife...

No ill feelings, No ceilings,

No doors, No floors,

No walls, No stalls,

No symbols, No windows,

No chairs, Just air...

Would you feel comfortable

and free

to just be with me?

It Simply Is

There

Is

*something so special about you
a smile, a laugh, a whisper, a kiss...?
though i've
never seen you
heard you
or
touched you...
yet,
you seem so familiar to me,
it's intriguing and mystifying,
satisfying and gratifying,
it's un-denying!
a gift, a treasure, a light, a presence
a spirit, a love...
I can't explain it...*

It Simply Is

It Is What It Is

It is

what

It is

and

It cain't be

what

It ain't...

Jealousy Is

** Federal Judge Lewis Kaplan ruled that the jury verdict showed E. Jean Carroll's 1996 rape allegation against Trump was "substantially true." And the Washington Post stated that Kaplan added that the jury clearly found that Trump had "'raped' her in the sense of that term broader than the New York Penal Law definition."*

Just Inches Apart

*I sleep alone in a bed
with my wife right next to me,*

Just Inches Apart

but she never touches me...

*Like Venus and Mars,
we might as well be,
Cause in reality she's
really not here you see,
She must be a ghost
cause I never feel her even close to me...*

*I sleep alone in a bed
with my wife right next to me,*

Just Inches Apart

but she never touches me...

*Hot flashes are the culprit
she claims it to be,
But could it just be incompatibility?
maybe I'm just tired of her
and she's just fed up with me...*

*Shit, who knows in reality,
she rarely speaks she only complains to me!*

*I sleep alone in a bed
with my wife right next to me,*

Just Inches Apart

but she never touches me...

*It's Her thyroid the doctor said it might be,
or is that her tongue's just caught in her throat
cause she never kisses me...*

*Well, it was supposed to get better after surgery,
but nothing has changed much you see
So, what do we do in the meantime, the in between time?*

*I sleep alone in a bed
with my wife right next to me,*

Just Inches Apart

but she never touches me...

*I don't know what to do, should I just
See no evil, Hear no evil, and Speak no evil?
Fuck, I don't know...do you know?*

*So, I guess our LOVE will just have
to wait and see...*

*...but until then
I'll keep sleeping alone
in a bed with my wife right next to me...*

Just Inches Apart
but never touching me...

Just Treat Me Like A Dog!!!

***My Dog** is always happy to be with me...*

He jumps up on the side of the bed to awaken me,

He loves to lick me excessively,

He waits for me to pet him on his head

until I tell him, "that's enough."

***My Dog** is always happy to be with me...*

He loves to go for walks with me,

When he sees me reach for his jacket

He gets so excited

He can hardly contain himself knowing that

we're going to do something together.

***My Dog** is always happy to be with me...*

He loves to go for rides in the car,

He just sits in my lap to take in the fresh air,

He loves to go to the park, to the store

Wherever I choose to go,

He just wants to go somewhere, anywhere

as long as it's with me.

***My Dog** is always happy to be with me...*

No matter what time I come home

My dog rushes to the door

And is always there to greet me.

He just jumps up and down all over me...

He is as happy to see me

as I am to see him.

My Dog *is always happy to be with me...*

My dog always has my best interest at heart.

When there are any signs of danger

He changes his tone of bark

He alerts me to the situation and lets me know

he's always got my back.

My Dog *is always happy to be with me...*

My dog loves to jump on the bed

With me and cuddle,

Pet him on his head and tell him that I love him,

Then he rolls over onto his back so I can rub his tummy as

We both smile knowing we have each other!

My Dog *is always happy to be with me...*

I only wish you'd

Just Treat Me Like A Dog!!!

which is among the cloudiest places in the world
and she complained it was too sunny and
that I should have told her to pack sunscreen...*

*We visited the

the only one of the

Love Has Left The Building & Doesn't Live Here Anymore

Loves'

foundation is sagging,

Loves'

*home is in disrepair,
the mortgage is overdue
and there are taxes
to declare.*

Loves'

composure seems in foreclosure.

Love

*seems to have left the building
&
doesn't live here anymore...*

I sometimes see

Love

*trickling from the faucets,
leaking from the cracked ceiling,
crawling down the hall,
and
occasionally it seeps through the wall,
but,
rarely does it appear
in the living room, family room,*

and

almost never in the bedroom.

Love

seems to have left the building

&

doesn't live here anymore...

There is no longer

dishes of sautéed

Love

cooking in the kitchen...

There is no longer

hot cross buns and juicy cherry pie

baking in the oven...

There is no longer

sizzling hot kisses steaming

*from too much **Lovin'**...*

I wonder if the

Love

was overlooked, neglected

and

went uncooked?

Love

seems to have left the building

&

doesn't live here anymore...

The ghost of
Loves'

*past can be seen floating
along the corridors
seemingly lost in the gist,
with its vapors oozing up and down
the staircase with clinched tighten fist.*

Though
Love

*rarely speaks,
her silence is quite deafening...
you can read her loud and clear!
You may think that she's nearby
but
in reality she almost never appears.*

Love
*seems to have left the building
&
doesn't live here anymore...*

Why is
Love

always cussing and fussing,

*complaining and disdaining,
groaning and bemoaning,
mumbling and grumbling,
accusing and bemusing,
whining and maligning
but
never positively opining?*

Love

*seems to have left the building
&
doesn't live here anymore...*

Why does

Love

*haunt and taunt
rather than flaunt
anymore?*

Why is

Love

*constantly closing the windows
and
never opening the door?*

Love

*seems to have left the building
&*

doesn't live here anymore...

Is

Love

too stressed to be blessed

and

didn't get enough rest?

or did

Love

just wake up

on the wrong side of the bed?

or was it

something that hate said?

or did

Love

just have a heart attack

and

is now dead?

Love

seems to have left the building

&

doesn't live here anymore...

Should we give

Love

a funeral service

and

*invite envy, jealousy, insecurity,
selfishness, lack of communication*

discuss and distrust to mourn,

then

bury it at a cemetery

or

just cremate it and go on with the morn?

Love

seems to have left the building

&

doesn't live here anymore...

Love, God And Self

Love

boundless,

eternal...

the more

to know

get

to know

on construction paper?

My Life One More Round

My Life...

Is a spectrum of thoughts with Black and White-light ideas

My Life...

Is an endless range of choices and consequences

My Life...

Is full of emotions with sometimes emotionless responses

My Life...

Is a lot of why I did this and didn't do that?

My Life...

*Is an abundance of life's cons and confessions,
and love's lies and love's lessons*

My Life...

*Is full of could've, would've, should've
but sometimes I actually did...*

My Life...

Is made up of some good fucks and some bad fuck ups,

My Life...

Sometimes finds me laying pipe though I'm not a plumber,

My Life...

Has me at times acting dumb and doing dumber,

My Life...

Seems to be falling backwards at times yet, I'm still standing,

My Life...

Sometimes knocks me down though I'm still upright,

My Life...

Has me acting funny but not being a clown,

My Life...

Seems like a square circle spinning a-round,

My Life...

Is sometimes goin' fast but not cumin'

and sometimes cumin' fast and

not knowin' where I'm goin',

My Life...

Seems to be coming and going at the same time...

But as crazy and downside up

and forward back as it may sound,

My Life...

Is never losing the fight

cause I always go

Beautiful Colors

Rain And The Thorns

*She never calls me Sugar, Honey, or Baby,
And when she does call
It's not for chicken smothered in gravy,
It's just to complain that I'm the one who's crazy...
But no matter how sunny the day proclaims
for her it's always **Rain!***

*No kisses, no hugs, no love,
Sometimes I wish my ears wore gloves
“Why’d you do this, when you should’ve done that,”
So, I just shake my head and try not to snap back...
Cause no matter how beautiful the roses
she only sees the **Thorns!***

*I must say, I am quite the do-gooder
I'm damn near like the Pope,
Don't drink it, don't snort it, I don't even smoke,
But living out my dreams with her seems a joke...
Cause no matter how sunny the day proclaims
for her it's always **Rain!***

*Our home is very nicely decorated
It's cozy and so quaint
But every room's painted in her favorite colors
Which is Scarlet trimmed in complaint...*

*But no matter how beautiful the roses
She only sees the **Thorns!***

*I am kind and considerate,
Hate, I never even think of it,
Love is what I live for
The self-same is what she deplores...*

*And no matter how sunny the day proclaims
for her it's always **Rain!***

*I don't run the streets at night
I prefer peace over fight and flight
But if she's not opposing something
For her things just aren't right*

So, no matter how beautiful the roses

*She only sees the **Thorns!***

*I take her anywhere she wants to go
On trips, to plays to the picture show
Whenever, wherever she wants to be
I try hard to fulfill her fantasy*

*But no matter how sunny the day proclaims
for her it's always **Rain!***

*I am organized, neat and clean
Like every woman's dream
But with people I'm too touchy and feely
And that's her worst nightmare it seems...really!*

*So, no matter how beautiful the roses,
No matter how sunny the day,*

*There is always a cloud over her head
Just waiting to make her day!*

Rainy Afternoon

*On this
Rainy Afternoon...
I Miss You
the most.
The "intimate" fun
we could share
if only you were here...
So instead, I play
with my imagination...
trying to recapture
some of the moments
we've shared---
but,
On this
Rainy Afternoon...
nothing can make me
wet---
except,

Inside

God

there

Waiting For You...

and wondering what took you

So Damn Long...

Seeing In The Dark

Something S

After

Seeing your Smile,

I wanted to Scribe my imaginary Signature of you...

And in you I Saw—Something Splendid,

Something Splendid and Scholarly

Something Scholarly but Sanctified

Something Sanctified yet Sensible

Something Sensible though Significant

Something Significant and Sagacious

Something Sagacious but Silly

Something Silly yet Serious

Something Serious though Stimulating

Something Stimulating and Spectacular

Something Spectacular but Spiritual

Something Spiritual yet Seductive

Something Seductive though Soft

Something Soft and Sweet

Something Sweet but Spicy

Something Spicy yet Steamy

Something Steamy though Saucy

Something Saucy and Sultry

Something Sultry but Sassy

Something Sassy yet Sexy

Something Sexy though Sensuous...

*And all that I imagined that I could a**Scribe**
to you, you **Sincerely** are,
and in my heaven you truly are the brightest
Star
So I guess I need only **Say**—you really are,
Something Special*

Something So Special

There is

Something So Special

about you...

*your cute smile,
your funny laugh,
your sensuous whisper,
your tender touch.*

There is

Something So Special

about you...

*though i've only
seen you,
heard you,
and touched you,
via electronic devices.*

There is

Something So Special

about you...

*it's
so intriguing,
so mystifying,
so satisfying,
so gratifying...*

There is

Something So Special

about you...

I'm embarrassed say,

that now,

I don't know

what to do

with you.

Spirit Love

My Spirit

is

Falling In Love

with

Your Spirit...

and

I Pray

that

Our Hearts

Minds

will follow...

Stop, Look And Listen

I Stopped Listening

*to the sensuously pleasing sound of your voice---
and Started Listening
to the sweet angelic inner-sound of your **Soul**...*

I Stopped Admiring

*the awesome child-like beauty of your smile---
and Started Admiring
the remarkable inner-beauty of your **Mind**...*

I Stopped Measuring

*the cute little perky size of your breast---
and Started Measuring
the enormously huge inner size of your **Heart**...*

I Stopped Looking

*at the sexy curvaceous shape of your body---
and Started Looking
at the well-rounded inner-shape of your **Spirit**...*

*And now,
I truly see **You**---
completely **naked** and **unabashed**...
and mere words
are not enough*

The Politricks Of Politics (The 411 On 911)

*I smell Politricks in the Air,
Everywhere in the Air I Smell Politricks,
Cain't you Smell It?
That Funky Vile Smell of
The Politricks Of Politics
The Politricks of War
The Politricks of Terror
The Politricks of Pain
The Politricks of Error...
You see, first there was the
Chore of Dispensing with Gore.
So, at the Core the court had 2 Deplore
The Election Results so they could Restore
Bush 2 the Floor.
Then 911 was the Trigger that led the
Neo-cons 2 Figure,
That they could Steal Iraq's Oil and
Hide the Decision,
And for all who found out put them in
Secret Prisons.

So, Bush needed a War so that he could
Score More
Money for Halli-burden 2 Keep in Store.*

*So, the **Planes** did **Soar**, and we **Bombed** them **Up**
So, **Halli-burden** could
Charge too much 2 **Fix** them **Up**
But when the **People** started 2
Implore and **Explore**,
What the **Paper** was **Truly For**,
Bush went on 2 **Ignore**, lost his **Rapport**,
Slammed the **Door**
And made it **Certain** 2 **Pull** the **Curtain** over
No-bid **Contracts** and
Blackwater's Hijack **Death** **Traps**.
So, **Bush** blamed **Iraq** as he **Pat** over
Four Thousand Dead Soldiers on the **Back...**
So, **I-ran** for **Cover** in **Afghanistan**,
But just like **I Expected** **I** wasn't **Protected**,
Felt **Dejected**, **Neglected**, and **Disrespected**
Cause my **Belief** that
America's Commander and **Chief**
Was about **Love** and **Peace** was totally **Rejected**.
Just like a **Thief**, **Bush Stole** our **Peace**,

So, **I** called the **Police**,
But it was the **Rolaids** that gave me **Relief...**
Yeah, **I** smell **Politricks** in the **Air**,
Everywhere in the **Air** **I Smell Politricks**,
Cain't you **Smell It?***

*That **Funky Vile Smell** of*

The Politricks of Fear

The Politricks of Deception

The Politricks of Power

The Politricks of Perception...

*Yeah, I know you thought **Bush** was **Slick** ,*

*But he's just **Sick**, a **Mad Man** with a little **Dick**,*

*And he wanted 2 **Stick-it** into **Osama's Mama***

*But he couldn't find **Her** or **Him** so on a **Whim***

*He went **Insane** and attacked **Saddam Hussein***

***2 Divert** our **Attention**,*

*But he **Failed 2 Mention His True Intention***

*Was 2 use **Terror** in the **Suspension***

*Of our **Civil Rights** by **Tapping** our **Phones** at **Night***

*And **Keeping** us from **Taking Water** on **flights**...*

Damn yaw, that shit was kinda tight, right?

*But I'm just **Flowin'** sometimes not **Knowin'***

*Exactly where I'm **Goin'** but nevertheless **Showin'***

*That **Bush** got us all **Pimpin'** and **Hoe'n'***

*As **America** is **Reapin'** just what it's **Sowin'**...*

*Ya see yeah, I smell **Politricks** in the **Air**,*

***But I've been Told that Bush is Straight Cold,
Deal him a Whack Ass Hand and he'll still
Thank that he the Man and just Hold,
Won't Draw no New Cards but still won't Fold.
I must Confess, you can Disgrace him in the Press,
Put his Ass under Stress and Duress,
Have the People Attest That he's Less than the Rest,
Nowhere near the Best and Failing the Test,
Looking a Mess wearing Alberto Gonzalez's Dress
With False Titty's on his Chest,
But Still Tried 2 Convince the World***

That his Presidency is a Success.

***But, Bush's Yellow Cake got

***Proclaim** that she's **One** in the **Same**.
But instead of **Shame** they went **Lame**
And just **Lied** about the **Whole Damn Thang**.

2 Make the Push 2 Blame Bush
Cause he had his **Head Stuck Up Cheney's Tush**.
Yeah, he **Lied** and said the
Intelligence was **Flawed**,
But **We** were the **Ones** who really

Believed that shit Yaw,
When we should've been

*But he **Fucked** us **All** with our*

*A **Hell** of a **Scene**, with no **Vaseline***

Tower Of Love

*Imagine yourself a contractor building a
Tower of Love,
the
deeper and more solid
you dig your foundation,
the
taller and more secure
your **Tower of Love** will be.*

True Love

True Love

is like

Truth...

it can

Never

Be

Deceived

Two Hearts

THEY SAY THAT THERE ARE
fish that walk, snakes that fly
and
some birds that don't...
THEY SAY THAT THERE ARE
dolphins that talk, people that lie
and
some fools who won't...
THEY SAY THAT THERE ARE
cats with 9 lives,
some men with 9 wives
and
that dogs are a man's best friend...
BUT YOU TOP THEM ALL
big and small
a person with two hearts,
one for yourself
and
one for everyone else...

Unless

It is

Hard

to have an

Open Heart

and a

Closed Mind...

As well,

It is

Hard

to have an

Open Mind

and a

Closed Heart...

Unless you've never had Peace of Mind

and

Love in your Heart...

Until I Met U

*There are newborn baby **Little Girls**...*
You know, soft and sweet make you wanna kiss their tiny little feet
Little Girls.

*There are some rug-rats curious **Little Girls**...*
discovering, uncovering, and exploring
*their little worlds **Little Girls.***
*And we must acknowledge **Daddy's Little Girl**...*
You know, the ones who can do no wrong
*kinda **Little Girls.***

*Sugar and spice and everything nice **Little Girls**...*
*shy **Little Girls**, spry **Little Girls**,*
*always asking why **Little Girls***
*as well as cry-baby **Little Girls.***

*Teenage drive you crazy adolescent **Little Girls**...*
who are always losing their way
attempting to find
*their minds **Little Girls.***

*Charming, well behaved, young lady **Little Girls**...*
growing into womanhood and becoming good,
*well-mannered, and polite beautiful women **Little Girls.***

But let us not forget,
*the stubborn lady **Little Girls**...*

*the sly, the slick, the wicked, the naughty
and the bad all grown-up **Little Girls**.
Then there are the intelligent, knowledgeable and
creative lady **Little Girls**...
the very loving, generous and
caring lady **Little Girls**...
the talented, thoughtful and
kind lady **Little Girls**...
the sensitive, soft, and gentle lady **Little Girls**...
the extraordinarily fine, sexy and
sensuous lady **Little Girls**....*

*All these wonderful characteristics help women to become the
uniquely gifted souls that they are,
never losing the inborn,
natural innocence that's inherent in all **Little Girls**.*

*I have watched them,
listened to them,
caressed them,
felt their spirits,*

*took a whiff of the sweetness in their hearts,
praised them, cared for them, shared with them,
loved them and have been loved by them.
And, I have been blessed to experience*

*some of these magnificent aspects
in many different mature **Little Girls...***

*But, I have yet to realize the joy of having
all these characteristics together in one mature pretty*

Little Girl

*Until **I** Met **U...***

My lovely, all grown-up, mature, woman, lady,

Little Girl.

Until The Music Is Gone

Where there is MUSIC---

there will be

motion ...

motion of people

moving from

side 2 side

up & down

putting all

e-motions aside---

as they ride on top of the rhythm

and move & groove to the beat.

different sizes

different strokes

different styles

different folks

but all movin'---

like the motion of the ocean

they're constantly movin'.

movin' back & forth

4 love,

movin' back & forth

4 money,

movin' back & forth

4 pleasure

or just 4 the night---
but still movin' & groovin'
to the music.

watch them ride on top of the rhythm

watch them, watch them

watch them m o v e...

see their troubles groove away with the music,

watch them,

watch them m o v e...

see the expressions on their faces---

real, untapped by worry and fears

---no tears, just smiles 4 a while...

UNTIL THE MUSIC IS GONE...

UNTIL THE MUSIC IS GONE...

Until The Music Is Gone,

until the music is gone,

until the music is gone,

until the music is gone,

Well-Spring

The
deeper you dig
into
God's
Well-Spring of Love;
the more
Love will Spring
from
YOUR
Heart and Soul

Wet Dreams

*I wear my glasses to bed
so I can see you more clearly
in my dreams.*

*You are so beautiful it seems...
are you really real or just a meme?*

*A star, so hot you are,
like my coffee I can see
the steam oozing from your aura
making me scream loudly
from my inseam.*

*Damn girl don't be so mean!
So hey, what do you have to say
for making me feel this way?*

*Okay, okay please
don't fade away...
I don't mean
to press you today.*

*If you don't want to answer me
I don't care...just stay there
and let me stare.*

*So, tell me why
did you choose to visit
my clouded mind
on such a clear night?*

*Was it to give me insight
on why your love is so tight?
Or are you just
playing games with my mind
as you often do sometime?*

*Tell me what it is,
why the visit?
Just tell me
don't make me
have to quiz it.*

*Oh dammit, off goes the glasses
I feel the Jiz-Wiz Fizz*

*So, we'll have to continue the quiz
tomorrow night if that's alright?*

Where You Stand

We should all

Stand tall

on

Solid ground---

With our

Chin up

Chest forward

Shoulders squared

Eyes on the prize

Mind set

Listening intently

Paying close attention

Communicating clearly

Because,

Where We Stand

*Is usually where we **Sit**,*

*And where we **Sit***

*Is usually where we **Lay**,*

*And where we **Lay***

*Is usually where we **Pray**,*

*And where we **Pray***

Is usually based on

Where We Stand...

R. Ray Barnes

So, let us

Pray

that we all

Stand for Something!

Without Love You're Going Nowhere

Seeing

the most attractive couple in a relationship that is

Without Love...

...is like

Seeing

them sitting in a

Bugatti Veyron Super Sport

in rush hour traffic on the 405 freeway in Los Angeles,

they may look real good sitting in it, but they ain't

Going Nowhere...

or

Seeing

the most attractive couple in a relationship that is

Without Love...

...is like

Seeing

them sitting in a

Rolls-Royce Sweptails

on the showroom floor,

they may look real good sitting in it, but they ain't

Going Nowhere...

You Are What You Are

You are

what you are

until

You realize

You're a

Star...

You With-Out, With-In, With-All

When
YOU
get tired
of being
WITH-OUT,
just go
WITH-IN
and be
WITH-ALL.

You R All I Need

Your Eyes

Your Smile

Your Voice

Your Touch

Your Being

Your Heart

Your Soul

Your Love...

You R

to get by...

Co-written by Karen Baker

Your, You, Yo, Y

***Your** shrugs are loud and clear,
Your hugs have all but disappeared,
Your frown seems now
Your smile.
Your glare is how
You stare at me,
Your sorrow is
Your joy's ecstasy.
Your today is yesterday's bad memories,
Your ups are all sideways,
Your sideways are all down days.
Your You is existing without **You**...
and
Yo, I don't know
Y...do **You**?*

You Must Be Special

thought

i would just

Dream

my life away...

never knew there'd come a day

*when a **Love** like yours*

would come my way and make all

My Dreams

come true...

You Must Be Special

the way you make

Me Feel.

Your

Light

shines so bright and deep within...

i can feel your warmth begin...

To Touch Me

where

i have never felt

Love

before!

You Must Be Special,

*Very Special,
the way you touch
My Love*
